HPN Solutions POS Gold $25/0/500/80%

Attachment A Benefit Schedule

Unlimited Lifetime Benefit Maximum for all Covered Services

Tier I HMO Benefits apply when you obtain or arrange for Covered Services through a Health Plan of Nevada, Inc. (“HPN”) contracted Primary Care Physician. No claim forms are required and the Tier I HMO benefits provide a higher level of coverage with lower Out of Pocket expenses than the Tier II or Tier III level of benefits.

Tier II Plan Provider Benefits apply when a Member obtains Covered Services from a Provider who is independently contracted with HPN to provide Covered Services to Members enrolled in HPN Point-of-Service (“POS”) plans. The Member’s out of pocket expenses will be higher than when accessing the Tier I HMO benefits because in most cases the Member will be responsible for a Calendar Year Deductible (“CYD”), higher Coinsurance percentages and/or higher Copayments for some services. Claim forms are not usually required when using contracted Tier II Plan Providers. Further, certain services are not covered under this tier; please reference the following pages for detailed benefit information.

In no event will your total Out of Pocket amount paid for Eligible Medical Expenses for Tier I and Tier II Covered Services exceed your Tier II Out of Pocket maximum.

Tier III Non-Plan Provider Benefits apply when a Member obtains Covered Services from a Non-Plan Provider. Out of pocket expenses are the highest with this option because all benefits are subject to a higher CYD and higher Coinsurance percentage. Claim forms must be submitted for services received from Tier III Non-Plan Providers. Further, certain services are not covered under this Tier; please reference the following pages for detailed benefit information.

Emergency Services: The Tier I HMO level of benefits will apply to Emergency Services provided at any duly-licensed facility. Upon admission to a Tier III Non-Plan Provider Hospital and stabilization of the emergency condition and safe for transfer status as determined by the attending physician, the Plan may require transfer to a Tier I HMO contracted facility in order to continue paying benefits at the Tier I HMO level. Benefits for Prior Authorized post-stabilization and follow-up care received at a Tier II or Tier III hospital facility are subject to the applicable benefit tier.

Calendar Year Deductible (“CYD”):

There is no Calendar Year Deductible when using Tier I HMO Providers. Your CYD is $500 of EME per Member and $1,000 of EME per Family for Tier II Plan Provider Services. Your Tier III CYD is $1,000 of EME per Member and $2,000 of EME per Family for Tier III Non-Plan Provider Services.

A Member may not contribute any more than the individual CYD amount toward the Family CYD amount.

Copayments: This Plan includes some fixed dollar copayment amounts (which are not subject to the CYD) for certain Covered Services. Please reference the following pages for detailed cost-share information.

Coinsurance: After meeting any applicable CYD, your Coinsurance, if applicable, for Tier I Covered Services is 20% of EME. Your Coinsurance for most Tier II Covered Services is 20% of EME. Your Coinsurance for most Tier III Covered Services is 50% EME.

Calendar Year Out of Pocket Maximum: Your Out of Pocket expenses are limited to a Calendar Year maximum of $3,500 of EME per Member and $7,000 of EME per Family when using Tier I HMO providers. Your Out of Pocket expenses are limited to a Calendar Year maximum of $6,250 of EME per Member and $12,500 of EME per Family when using Tier II Plan Providers. Your Out of Pocket expenses for Tier I HMO providers accumulate to both your Tier I and Tier II Out of Pocket maximums. Your Out of Pocket expenses for Tier II providers accumulate only to your Tier II Out of Pocket maximums. In no event will your Out of Pocket expenses for Tier I
and Tier II providers exceed your Tier II Calendar Year Out of Pocket maximum. Your Out of Pocket expenses are limited to a Calendar Year Maximum of $12,500 of EME per Member and $25,000 of EME per Family when using Tier III Non-Plan Providers. A Member may not contribute any more than the individual Calendar Year Out of Pocket Maximum amount toward the applicable Family Calendar Year Out of Pocket Maximum amount.

The Tier I and Tier II Calendar Year Out Of Pocket Maximum amounts include the CYD, Copayments and Coinsurance. The Tier III Calendar Year Out of Pocket maximum amounts includes the CYD and applicable Coinsurance.

The Calendar Year Out Of Pocket Maximum does not include; 1) amounts charged for non-Covered Services, 2) amounts exceeding applicable Plan benefit maximums or EME payments to Non-Plan Providers; or, 3) penalties for not obtaining any required Prior Authorization or for the Member otherwise not complying with HPN’s Managed Care Program.

Note: You are responsible for all amounts exceeding the applicable benefit maximums, EME payments to Tier III Non-Plan Providers and penalties for not complying with HPN’s Managed Care Program. Further, such amounts do not accumulate to your applicable Calendar Year Out of Pocket Maximum.

Please read your HPN Evidence of Coverage and all other applicable Endorsements, Riders and Attachments, if any, to determine the governing contractual provisions for this Plan and to understand how EME payments to Providers are determined.

</table>

A Tier I Cost-share will not be more than 50% of the allowed cost of providing any single service or supplying an item to a Member, after the deductible, if applicable, has been met.
Please note: For Inpatient and Outpatient admissions, in addition to specified surgical Copayments and/or Coinsurance amounts, Member is also responsible for all other applicable facility and professional Copayments and/or Coinsurance amounts as outlined in the Attachment A Benefit Schedule.

Member is responsible for any and all amounts exceeding any stated maximum benefit amounts and/or any/all amounts exceeding the Plan’s payment to Non-Plan Providers under this Plan. Further, such amounts do not accumulate to the calculation of the Calendar Year Copayment and Coinsurance Maximums.

*Referral or Prior Auth. Required – Except as otherwise noted and, with the exception of certain Outpatient, non-emergency Mental Health, Severe Mental Illness and Substance Abuse Services, all Covered Services not provided by the Member’s Primary Care Physician require a Referral or a Prior Authorization in the form of a written referral authorization from HPN. Please refer to your HPN Evidence of Coverage for additional information.

Tier I HMO benefits are provided by Health Plan of Nevada, Inc. (HPN), a Health Maintenance Organization (HMO). No benefits will be paid if Medically Necessary Covered Services are provided without Prior Authorization for those services covered which require Prior Authorization and are available only under the Tier I HMO benefit.

Tier II and Tier III benefits are underwritten by HPN. If Medically Necessary Covered Services are provided without the required Prior Authorization, benefits are reduced to 50% of what the Member would have received with Prior Authorization.
