Upon verification of coverage, reasonable and necessary charges for up to the policy limit for **Emergency Road Service** will be automatically billed to us by the service vendor. The **insured** need only sign a receipt at the time of service which authorizes us to directly pay the service vendor. Any additional fees for towing beyond the nearest qualified repair facility, or other fees not specifically addressed above will be at the **insured's** expense.

The second method occurs when the **insured** does not use the "sign and drive" feature described above and hires services without prior approval from us. Upon verification of coverage, we will reimburse **you** for reasonable and necessary charges for up to a limit of \$400. Requests for reimbursement must be accompanied by an original itemized receipt and must be submitted within 60 days of service.
