

AMENDMENT OF POLICY PROVISIONS – RIDE SHARING ACTIVITY

This Amendment forms a part of the auto policy to which it is attached, and it modifies that policy as follows:

Notwithstanding Paragraph 3. of the definition of **covered person** in Part A – Liability, **covered person** does not include any **Transportation Network Company**.

EXCLUSION

We do not provide coverage under this policy for accident or loss that occurs while any **covered person** is operating or **occupying** a vehicle engaged in **ride sharing activity** in conjunction with a **Transportation Network Company**. This exclusion does not apply to a share-the-expense car pool.

This exclusion applies during the time the **covered person** is logged on to the **Transportation Network Company's** online-enabled application or platform and available to accept a passenger or delivery assignment, whether or not a passenger or delivery assignment has been accepted. When a passenger or delivery assignment has been accepted, coverage is excluded while the passenger or property to be delivered is **occupying your covered auto**.

However, if a premium for Ride Share Gap Protection is shown on the Declarations for **your covered auto**:

1. This exclusion does not apply with respect to that vehicle during the time when the **covered person** is logged on to the **Transportation Network Company's** online-enabled application or platform and available to accept a passenger or delivery assignment, but has not yet accepted a passenger or delivery assignment; and
2. Coverage under this policy will extend with respect to that vehicle during the time when the **covered person** is logged on to the **Transportation Network Company's**

online-enabled application or platform and available to accept a passenger or delivery assignment, but has not yet accepted a passenger or delivery assignment.

3. When a passenger or delivery assignment has been accepted, coverage will not extend while the passenger or property to be delivered is **occupying your covered auto**.
