Any reference to "aggregate property limit" is replaced by "Property Location Limit".

DEFINITIONS

Definition 1. **Bodily Injury** is replaced by:

1. **Bodily Injury** means physical bodily harm, including sickness or disease. This includes required care, loss of services and death resulting therefrom.

Bodily injury does not include any symptom, effect, condition, disease or illness resulting in any manner from:

- a. Lead in any form;
- b. Asbestos in any form;
- c. Radon in any form; or
- d. Oil, fuel oil, kerosene, liquid propane or gasoline intended for, or from, a storage tank located at the **residence premises**.

Definition 8. **Occurrence** is replaced by:

All losses arising out of such continuous or repeated exposure shall be deemed to arise out of one accident.

The following definition is added:

15. **Remediation** means the reasonable and necessary treatment, removal or disposal of biological irritants, contaminants or spores - including but not limited to, mold, fungus, wet rot, dry rot, or bacteria - required to repair or replace property covered under **PROPERTY COVERAGE - DWELLING** damaged by a covered peril. **Remediation** includes payment

for any reasonable increase in living expenses necessary for your household to maintain its normal standard of living if biological irritants, contaminants or spores make your **residence premises** uninhabitable. If biological irritants, contaminants or spores make your **scheduled location**, rented to others or held out for rental uninhabitable, **remediation** also includes payment of its fair rental value, less any expenses that do not continue. **Remediation** does not include payment for loss or expense due to cancellation of a lease or agreement.

PROPERTY COVERAGE - DWELLING

REAL PROPERTY - INSURING AGREEMENT

Provision 1. is replaced by:

1. **Dwelling Owners** - We cover:
 - a. The dwelling on your **scheduled location**, including structures attached to your dwelling. Structures connected to your dwelling by only a fence, utility line or similar connection are not considered structures attached to your dwelling; and
 - b. Other structures on your **scheduled location** separated from your dwelling by clear space or connected to your dwelling by only a fence, utility line or similar connection.

REAL PROPERTY - LIMIT OF LIABILITY is replaced by:

REAL PROPERTY - LIMIT OF LIABILITY

Covered losses are settled on a replacement cost basis (without deduction for depreciation) subject to the following:

1. Payment for the dwelling, including structures attached to your dwelling, on your **scheduled location**, will not exceed the smallest of:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

Your Optional Coverages

- a. The amount that we could reasonably be expected to pay to repair or replace the damaged, destroyed or stolen real property with materials of like kind and quality for similar use on the same **scheduled location**;
 - b. The amount actually and necessarily spent to repair or replace the damaged, destroyed or stolen real property with materials of like kind and quality for similar use on the same **scheduled location**; or
 - c. The estimated dwelling value. The estimated dwelling value is the amount which we multiply by 110% to arrive at the combined Dwelling and Other Structures value amount shown on the Coverage Summary.
2. Payment for structures on your **scheduled location** separated from your dwelling by clear space or connected to your dwelling by only a fence, utility line or similar connection, will not exceed the smallest of:
- a. The amount that we could reasonably be expected to pay to repair or replace the damaged, destroyed or stolen real property with materials of like kind and quality for similar use on the same **scheduled location**;
 - b. The amount actually and necessarily spent to repair or replace the damaged, destroyed or stolen real property with materials of like kind and quality for similar use on the same **scheduled location**; or
 - c. 10% of the estimated dwelling value or, if Increased Other Structures is shown on the Coverage Summary, an amount equal to the sum of the Increased Other Structures amount and 10% of the estimated dwelling value.

3. Condominium and Cooperative Owners

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

Payment will not exceed the smallest of:

- a. The amount that we could reasonably be expected to pay to repair or replace the damaged, destroyed or stolen real property with materials of like kind and quality for similar use on the same **scheduled location**;
- b. The amount actually and necessarily spent to repair or replace damaged, destroyed or stolen real property with materials of like kind and quality for similar use on the same **scheduled location**; or
- c. The amount shown for Buildings Additions and Alterations value shown on the Coverage Summary.

4. If, at the time of a covered loss, you have:

- a. Maintained coverage on the dwelling at 100% of its replacement cost, as determined by our estimate completed and based on the accuracy of information you furnished or confirmed for us;
- b. Accepted the **GENERAL PROVISIONS - DWELLING, 16. ESTIMATED DWELLING VALUE ADJUSTMENT** provision, agree to accept each annual adjustment, and pay any additional premium charged; and
- c. Notified us within 90 days of the start of any alterations to the covered real property which increase the replacement cost of the dwelling by 5% or more;

then, if at the time of a covered loss the estimated dwelling value is less than the current replacement cost for the covered dwelling, we will:

- a. Increase the estimated dwelling value available for that covered dwelling loss to equal the then current replacement cost of the dwelling, subject to a maximum

Your Optional Coverages

increase of 20% of the estimated dwelling value; and

- b. Adjust the Segment premium from the time of loss for the remainder of this policy period based on the increased limit of liability.

At the time of the loss, coverage limits for other structures and tangible personal property will not be increased as a result of the adjustment made to the estimated dwelling value in accordance with this provision.

Current replacement cost does not include any additional costs necessary to comply with any ordinance or law that regulates the construction, repair or demolition of the real property.

5. We will pay no more than the actual cash value of the damaged real property until actual repair or replacement is complete. Once actual repair or replacement is complete, we will settle the loss according to the replacement cost provisions above.

However, if the cost to repair or replace the damaged real property is both:

- a. Less than 5% of the amount of insurance shown on the Coverage Summary; and
- b. Less than \$3,000;

we will settle the loss on a replacement cost basis (without deduction for depreciation), whether or not actual repair or replacement is complete.

6. In the event you replace the dwelling at a location other than the location of the loss, covered losses will be settled on an actual cash value basis (with deduction for depreciation).
7. You may make claim under this Segment for loss or damage on an actual cash value basis. You may then make claim within one

year after loss for any additional payment on a replacement cost basis.

8. We will pay no more than the estimated dwelling value for covered loss to the dwelling if the **scheduled location**:
 - a. Is substantially empty of your furnishings and contents;
 - b. You have not permanently resided at the **scheduled location** for more than 30 consecutive days immediately prior to the time of a covered loss; and
 - c. You did not notify us of such changes above.

A special vacant house deductible of 5% of the estimated dwelling value applies to the covered loss. However, if another deductible would apply, only the highest deductible will be applicable.

Our payment shall not include any amounts which may be paid or payable under **ADDITIONAL PROPERTY COVERAGES, 16. Biological Irritants, Contaminants or Spores Remediation Coverage.**, and shall not be payable for any losses excluded in **PROPERTY COVERAGE - LOSSES WE DO NOT COVER.**

If any of the categories listed below are also part of a Blanket limit specifically insured elsewhere in this policy, and the loss is not excluded under this Segment or the Blanket, then the amount listed below will be considered in addition to the amount available under the Blanket limit of insurance subject to any pertinent per item limit listed. Under provision **1. Additional Living Expense.**, item a. is replaced by:

- a. If a loss covered under **PROPERTY COVERAGE - DWELLING** makes your **residence premises** uninhabitable, we cover reasonable increases in living expenses necessary for your household to maintain its normal standard of living. However, additional living expenses due to **remediation** of biological irritants, contaminants or spores - including but not limited to, mold, fungus, wet rot, dry rot, or bacteria - will not be paid in addition to any amounts paid or payable under **ADDITIONAL PROPERTY COVERAGES, 16. Biological Irritants, Contaminants or Spores Remediation Coverage**.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

Your Optional Coverages

Coverage for additional living expenses payable under this provision is limited to:

- (1) The shortest time required to repair or replace the damaged portion of the premises; or
- (2) If you permanently relocate, the shortest time required for your household to settle elsewhere;

but in no case for more than one year.

This period of time is not limited by expiration of this policy. We do not cover loss or expense due to cancellation of a lease or agreement.

Provision **2. Fair Rental Value.** is replaced by:

2. Fair Rental Value.

If a loss covered under **PROPERTY COVERAGE - DWELLING** makes that part of your *scheduled location* rented to others or held for rental uninhabitable, we cover its fair rental value, less any expenses that do not continue. However, loss of rental income due to **remediation** of biological irritants, contaminants or spores - including but not limited to, mold, fungus, wet rot, dry rot, or bacteria - will not be paid in addition to any amounts paid or payable under **ADDITIONAL PROPERTY COVERAGES, 16. Biological Irritants, Contaminants or Spores Remediation Coverage.**

The maximum limit for coverage under this provision is as follows:

- a. For other than Condominiums:
 - (1) 20% of the dwelling replacement value shown in the Coverage Summary; or

Provision **4. Debris Removal.** is replaced by:

4. Debris Removal.

We will pay your reasonable expense for the removal of debris of covered property for covered losses.

This expense is included in the limit of liability that applies to the damaged property. If the amount to be paid for the actual damage to the property plus the debris removal expense is more than the limit of liability for the damaged property, an additional 4% of that limit of liability is available for debris removal expense.

We will also pay your reasonable expense, up to \$500, for the removal from your *scheduled location* of:

- a. Your tree(s) felled by the peril of Windstorm or Hail;

Your Optional Coverages

Provision 7. **Collapse.** is replaced by:

7. **Collapse.**

Collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its current intended purpose.

Collapse does not mean:

- a. A building or any part of a building that is in danger of falling down or caving in.
- b. A part of a building that is standing even if it has separated from another part of the building.
- c. A building that is standing or any part of a building that is standing even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

We cover sudden and accidental direct physical loss to covered real property and tangible personal property involving a **collapse** of a building or any part of a building if the **collapse** was caused by one or more of the following:

- a. Decay that is hidden from view, unless the presence of such decay is known to you prior to **collapse**;
- b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to you prior to **collapse**;
- c. Weight of contents, equipment, animals or people;
- d. Weight of rain which collects on a roof;
- e. Use of defective material or methods in construction, remodeling or renovation if the **collapse** occurs during the course of the construction, remodeling or renovation; or

f. **TANGIBLE PERSONAL PROPERTY - COVERED PERILS.**

Loss to an awning, fence, patio, pavement, swimming pool, underground pipe, flue, drain, cesspool, septic tank, foundation, retaining wall, bulkhead, pier, wharf or dock is not included under items a., b., c., d., e. and f. unless the loss is a direct result of the **collapse** of a covered building or any part of a covered building.

This coverage does not increase the limit of liability applying to the damaged covered property and is limited to one year after the inception of the loss.

The following provisions are added:

15. **Building Ordinance Increased Costs.**

We will pay the increased cost that you incur due to the enforcement of any local building ordinance or law in effect at the time of the loss, regulating the construction, repair or demolition of the physically damaged area of your covered real property as the result of a covered loss. Unless you have purchased higher limits, the most we will pay for the ordinance or law increased cost is 5% of that limit of liability. This provision applies only if the property is repaired or replaced.

This does not increase the Property Location Limit or the limit of liability that applies to the damaged property.

16. **Biological Irritants, Contaminants or Spores Remediation Coverage.**

Subject to the limit and exceptions stated below, we will pay for **remediation** of biological irritants, contaminants or spores - including but not limited to, mold, fungus, wet rot, dry rot, or bacteria - that is a direct result of a covered peril under **PROPERTY COVERAGE - DWELLING**.

We do not cover any loss in value to the **insured location** caused by, consisting of, or resulting from biological irritants, contaminants or spores, including but not limited to, mold, fungus, wet rot, dry rot, or bacteria.

This coverage is limited to a total of \$5,000 for **remediation**.

16. ESTIMATED DWELLING VALUE ADJUSTMENT

At each policy anniversary, we may increase the estimated dwelling value shown on the Coverage Summary to reflect the minimum amount of insurance coverage we are willing to issue for the dwelling we cover for the succeeding policy period.

Adjustments in the estimated dwelling value will also result in adjustments to the Limit of Liability for Other Structures and Tangible Personal Property and to the Property Location Limit.

Any adjustment in premium resulting from the application of this provision will be made based on premium rates in use by us at the time a change in the estimated dwelling value is made.

You agree that it is your responsibility to ensure that each of the limits of liability shown on the Coverage Summary is appropriate for your insurance needs. If you want to increase or decrease any of the limits of liability shown on the Coverage Summary, you must contact us to request such a change.
