Group Evidence Of Coverage

This Group Evidence of Coverage (“EOC”) describes the healthcare plan made available to Eligible Employees of the Employer (referred to as “Group”) and their Eligible Family Members.

Health Plan of Nevada, Inc. (“HPN”), and the Group have agreed to all of the terms of this EOC, and the EOC has been incorporated by reference into the Group Enrollment Agreement (“GEA”) entered into by HPN and Group. This Plan is guaranteed renewable. This EOC may be terminated by HPN or the Group upon appropriate written notice in accordance with the GEA. The Group is responsible for giving Members notice of termination.

This EOC and your attached Attachment A Benefit Schedule tell you about your benefits, rights and duties as an HPN Member. They also tell you about HPN’s duties to you.

This EOC including Attachment A Benefit Schedule and any other Attachments, Endorsements, Riders or Amendments to it, your Enrollment Form, health statements, Member Identification Card and all other applications received by HPN are all part of your HPN membership package. Please read them carefully and keep them in a safe place. **Words that are capitalized are defined in Section 14. - Glossary.**

Please carefully review your EOC and your Attachment A Benefit Schedule to determine which Covered Services require Prior Authorization. Failure of the Member to comply with the requirements of HPN’s Managed Care Program and the Prior Authorization process will result in a denial or reduction of benefits.

Evidence of Coverage

SECTION 1. Eligibility, Enrollment and Effective Date

Subscribers and Dependents who meet the following criteria are eligible for coverage under this EOC.

1.1 Who Is Eligible

Subscriber. To be eligible to enroll as a Subscriber, an employee must:

- A. Be a bona fide employee of the Group; and
- B. Meet the following criteria;
 - Be employed full-time;
 - Be actively at work;
 - Work at least the minimum number of hours per week indicated by the Group in its Attachment A to the Group Enrollment Agreement (GEA);
 - Meet the applicable waiting period indicated by the Group in its Attachment A to the GEA;
 - Enroll during an enrollment period;
 - Live or work in HPN's Service Area; and
 - Work for an employer that meets the Minimum Employer Contribution Percentage for the applicable coverage as set forth in the Attachment A to the GEA.

The actively at work requirement will not apply to individuals covered under Group's prior welfare benefit plan on the date of that plan's discontinuance, provided that this EOC is initially effective no more than sixty (60) days after the prior plan's discontinuance. All other requirements will apply to such individuals.

Dependent. To be eligible to enroll as a Dependent, an individual must be one of the following:

- A Subscriber's legal spouse or a legal spouse for whom a court has ordered coverage.
- A child by birth. Adopted child. Stepchild. Minor child for whom a court has ordered coverage. Child being Placed for Adoption with the Subscriber. A child for whom a court has appointed the Subscriber or the Subscriber's spouse the legal guardian.

The definition of Dependent is subject to the following conditions and limitations:

- A Dependent includes any child listed above under the limiting age of 26.
- A Dependent includes a Dependent child who is incapable of self-sustaining employment due to mental or physical handicap, chiefly dependent upon the Subscriber for economic support and maintenance, and who has satisfied all of the requirements of (a) or (b) below:
 - a. The child must be covered as a Dependent under this Plan before reaching the limiting age, and proof of incapacity and dependency must be given to HPN by the Subscriber within thirty-one (31) days of the child reaching the limiting age; or
 - b. The handicap started before the child reached the limiting age, but the Subscriber was covered by another health insurance carrier that covered the child as a handicapped Dependent prior to the Subscriber applying for coverage with HPN.

HPN may require proof of continuing incapacity and dependency, but not more often than once a year after the first two (2) years beyond the date when the child reaches the limiting age. HPN's determination of eligibility is final.

Evidence of any court order needed to prove eligibility must be given to HPN.

1.2 Who Is Not Eligible

Eligible Dependent does not include:

- A foster child.
- A child placed in the Subscriber's home other than for adoption.
- A grandchild.
- Any other person not defined in Section 1.1.

1.3 Changes In Eligibility Status

It is the Subscriber's responsibility to give HPN written notice within thirty-one (31) days of changes which affect his Dependent's eligibility. Changes include, but are not limited to:

- Reaching the limiting age.

Evidence of Coverage

- Ceasing to satisfy the mental or physical handicap requirements.
- Death.
- Divorce.
- Transfer of residence or work outside HPN's Service Area.
- Any other event which affects a Dependent's eligibility.

If the Subscriber fails to give notice which would have resulted in termination of coverage, HPN shall have the right to terminate coverage in accordance with the Group Enrollment Agreement.

1.4 Enrollment

Eligible Employees and Eligible Family Members must enroll during one of the Enrollment Periods described below or within thirty-one (31) days of first becoming eligible in order to have coverage under this Plan.

1. **Initial Enrollment Period.** An Initial Enrollment Period is the period of time during which an Eligible Employee and Eligible Family Member may enroll under this Plan as shown in the GEA signed by the Group.
2. **Group Open Enrollment Period.** An Open Enrollment Period of at least thirty-one (31) days may be held at least once a year allowing Eligible Employees and Eligible Family Members to enroll under this Plan without giving evidence of good health.
3. **Special Enrollment Period.** A Special Enrollment Period allows a Special Enrollee to enroll for coverage under this Plan upon a Special Enrollment Event as defined herein during a period of at least thirty-one (31) days following the Special Enrollment Event.
4. **Right to Deny Application.** HPN can deny membership to any person who:
 - Violates or has violated any provision of the HPN EOC.
 - Misrepresents and/or fails to disclose a material fact which would affect coverage under this Plan.

- Fails to follow HPN rules.
- Fails to make a premium payment.

5. **Right to Deny Application for Renewal.** As a condition of Group's renewal under this Plan, HPN may require Group to exclude a Subscriber and/or Dependent who committed fraud upon HPN or misrepresented and/or failed to disclose a material fact which affected his coverage under this Plan.

1.5 Effective Date of Coverage

Before coverage can become effective, HPN must receive and accept premium payments and an Enrollment Form for the person applying to become a Member.

When a person applies to become a Member on or before the date he is eligible, coverage starts as shown in the GEA signed by Group.

1. If a person applies to be a Member within thirty-one (31) days of the date he is first eligible to apply, coverage starts on the first day of the calendar month following the month when the Enrollment Form is received by HPN.
2. Subscriber's newborn natural child is covered for the first thirty-one (31) days from birth. Coverage continues after thirty-one (31) days only if the Subscriber enrolls the child as a Dependent and pays the premium within sixty (60) days of the date of birth.
3. An adopted child is covered for the first thirty-one (31) days from birth only if the adoption has been legally completed before the child's birth. A child Placed for Adoption at any other age is covered for the first thirty-one (31) days after the Placement for Adoption.

Coverage continues after the applicable thirty-one (31) day period only if the Subscriber enrolls the child as a Dependent and pays any premium within sixty (60) days following the placement of the child in the Subscriber's home. In the event adoption proceedings are terminated, coverage of a child Placed for Adoption ends on the date the adoption proceedings are terminated.

4. If a court has ordered Subscriber to cover his or her legal spouse or unmarried minor child, that person will be covered for the first thirty-one (31) days following the date of the court order. Coverage continues after thirty-one (31) days if the Subscriber enrolls the Dependent and pays any Dependent's premium. A copy of the court order must be given to HPN.
5. For a Special Enrollee, the Effective Date of Coverage is on the first day of the calendar month after an Enrollment

Evidence of Coverage

Form is received, unless otherwise specified in the GEA.

6. When a person applies to become a Member during the Open Enrollment Period, coverage starts on the first day of the calendar month following the Open Enrollment Period.

Subscriber must give HPN a copy of the certified birth certificate, decree of adoption, or certificate of Placement for Adoption for coverage to continue after thirty-one (31) days for newborn and adopted children.

Subscriber must give HPN a copy of the certified marriage certificate, proof of student status or any other required documents before coverage can be effective for other Eligible Family Members.

SECTION 2. Termination

This section tells you under what conditions your coverage under this Plan will terminate and the date that the coverage will end. In the event a Member's coverage is terminated pursuant to Sections 2.1 and 2.2 below, the coverage of his Dependents will also be terminated.

2.1 Termination by HPN

HPN may terminate coverage under this Plan at the times shown for any one or more of the following reasons:

- Failure to maintain eligibility requirements as set forth in Section 1.
- On the first day of the month that a contribution was due and not received by HPN.
- With thirty (30) days written notice, if the Member allows his or any other Member's HPN ID Card to be used by any other person, or uses another person's HPN ID Card. The Member will be liable to HPN for all costs incurred as a result of the misuse of the HPN ID Card.
- If the Member performs an act or practice that constitutes fraud, or makes any intentional misrepresentation of material fact, as prohibited by the terms of coverage, HPN has the right to rescind coverage and declare coverage under the Plan null and void as of the original Effective Date of Coverage and refund any applicable premium. Thirty (30) days written notice shall be provided

to the Member prior to any rescission of coverage. A Member has the right to appeal any such rescission.

- In the case of a Small Group Member, when information provided to HPN by a Small Group Member in his Enrollment Form or Medical Questionnaire is determined to be untrue, inaccurate, or incomplete, in lieu of termination of coverage, HPN shall have the right to retroactively increase past premium payments to the maximum rate allowed that would have been billed if such untrue, inaccurate, or incomplete information had not been provided. If the revised premium rate is not received by HPN within thirty (30) days of the letter of notification, coverage will be terminated as of the paid-to-date.
- Subject to Section 3., Continuation of Coverage, on the last day of the calendar month (or sooner, if provided in the GEA) when a Member no longer meets the requirements of Section 1.; this paragraph also applies to Dependents who become ineligible as Members for any reason including the death of the Subscriber.
- On the 61st day after a change in residence if a Member moves his primary residence outside HPN's Service Area. A Subscriber may continue coverage after a change in residence as long as his place of work is within HPN's Service Area. During the sixty (60) consecutive day period after the change in residence, the only Covered Services that HPN will provide outside HPN's Service Area are Emergency Services and Urgently Needed Services.
- When a Subscriber or Dependent moves his primary residence outside HPN's Service Area and/or the Subscriber no longer has his place of work within HPN's Service Area, Subscriber must notify HPN within thirty-one (31) days of the change. HPN will request proof of the change of residence and/or place of work.
- On the date the GEA terminates for any reason, including but not limited to:
 1. Nonpayment of premiums.
 2. Failure to meet minimum enrollment requirements.
 3. HPN amends this EOC and the Group does not accept the amendment.

2.2 Termination by the Subscriber

Subscriber has the right to terminate his coverage under this Plan by written notice to HPN. Such termination is effective on the last day of the month in which the notice is received by HPN, unless stated otherwise in the GEA.

Evidence of Coverage

2.3 Reinstatement

Any EOC which has been terminated in any manner may be reinstated by HPN at its sole discretion.

2.4 Retroactive Termination

A request for retroactive termination by Group may be granted as shown in the GEA.

2.5 Effect of Termination

No benefits will be paid under this Plan by HPN for services provided after termination of a Member's coverage under this Plan. You will be responsible for payment of medical services and supplies incurred after the Effective Date of the termination of this Plan and/or the GEA.

SECTION 3. Continuation of Coverage

This section tells you under what conditions your coverage can continue at Group rates in certain instances for a limited period of time when coverage under the Group Health Benefit Plan ends.

3.1 COBRA

The following rules apply only to Groups with twenty (20) or more employees on 50% of the workdays in the previous Calendar Year. For the purposes of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) and the Omnibus Budget Reconciliation Act of 1989 (OBRA), Group shall be considered the Plan Administrator.

Important Note: This EOC does not, and cannot, contain all of the information that is required under the COBRA continuation coverage regulations. Federal laws and regulations regarding COBRA are publicly available.

- a) A Subscriber and any enrolled Dependent who would lose coverage under this Plan because of: 1) a reduction in the Subscriber's regularly scheduled work hours, or 2) because of termination of the Subscriber's employment with the Group for any reason, other than gross misconduct, has the right to elect COBRA continuation coverage. Such coverage may continue for up to eighteen (18) months.

The premium for this COBRA continuation

coverage may be increased to 102% of the premium for providing coverage to other Subscribers under this Plan. COBRA continuation coverage will not take effect until the Subscriber or Dependent elects COBRA and makes the required payment. The Subscriber or Dependent will have an initial grace period of forty-five (45) days from the date of COBRA election to make the first premium payment.

If the qualifying event is: 1) a reduction in the Subscriber's regularly scheduled work hours, or 2) because of termination of the Subscriber's employment with the Group for any reason other than gross misconduct and the Subscriber became entitled to Medicare benefits less than eighteen (18) months before the qualifying event, then COBRA continuation coverage for Dependents may continue for up to thirty-six (36) months after the initially determined date of Medicare entitlement.

- b) A Dependent who would lose coverage under this Plan due to any of the qualifying events shown below has the right to elect COBRA continuation coverage. Such coverage may continue for up to thirty-six (36) months.
 1. The Subscriber's death.
 2. The Subscriber's divorce or legal separation.
 3. The Subscriber becomes entitled to Medicare benefits under Part A, Part B, or both.
 4. A Dependent no longer qualifies as a Dependent child as provided in Section 1. of this EOC.

The premium for continuation coverage may be increased to 102% of the premium for providing coverage to other individuals under this Plan.

- c) **Election of COBRA Continuation Coverage.** A Subscriber or Dependent identified in 3.1(a) or (b) above must elect to continue coverage within sixty (60) days of the election notice which qualifies him to continue coverage. If the election is not made within sixty (60) days, the Subscriber or Dependent is not eligible to continue coverage under this Plan.

Each Subscriber or Dependent will have an independent right to elect COBRA continuation coverage. Subscribers may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

- d) **Plans Offered Under COBRA Continuation Coverage.** Subscribers and Dependents who qualify

Evidence of Coverage

and elect COBRA continuation coverage must be offered the same Plan as similarly situated employees for whom a qualifying event has not occurred. When a qualified Subscriber or his Dependent leaves HPN's Service Area, they will be given the opportunity to elect alternate coverage that the Group makes available to its active employees.

For purposes of COBRA continuation coverage, "similarly situated employees" means the group of covered employees, spouses of covered employees, or Dependent children of covered employees receiving coverage under a Group Health Benefit Plan maintained by the employer. Similarly situated employees receive healthcare coverage for a reason other than under COBRA continuation coverage and who, based on all of the facts and circumstances are most similarly situated to the circumstances of the qualified Subscriber immediately before the qualifying event.

For the purposes of determining the cost of COBRA continuation coverage, the Plan is entitled to take into account the Plan under which COBRA continuation coverage is provided.

- e) **Notice from Plan Administrator (Group).** The Plan Administrator will have up to forty-four (44) days from the qualifying event to provide the Subscriber or Dependent with the COBRA election notice which contains information concerning the actions required to elect COBRA continuation coverage and the premium to be paid. The Plan Administrator has the sole obligation to provide the Subscriber or Dependent with a notice of unavailability in the event that the Plan Administrator determines that such Subscriber or Dependent is not entitled to COBRA continuation coverage. HPN assumes no responsibility for the Plan Administrator's failure to provide COBRA notifications to the eligible Members.

HPN assumes no further obligation to provide COBRA continuation coverage if:

- The Plan Administrator does not notify the Member within forty-four (44) days of the qualifying event; or

- The Member does not make a timely election; or
- The Plan Administrator fails to notify HPN of the election within thirty (30) days of the election; or
- Timely premium payments are not made as described in 3.1(f).

There are two (2) ways in which the eighteen (18)-month period of COBRA continuation coverage identified in 3.1(a) can be extended:

1. **Disability Extension.** If a Subscriber or Dependent covered under the Plan is disabled as determined under Title II (OASDI) or Title XVI (SSI) of the Social Security Act (SSA), COBRA continuation coverage will be extended from eighteen (18) months up to a total maximum of twenty-nine (29) months, provided the disability started at some time before the sixtieth (60th) day of COBRA continuation coverage, continues until the end of the eighteen (18)-month period of COBRA continuation coverage, and notice is received by Group before the initial eighteen (18)-month period expires.

The premium for the extension period of COBRA continuation coverage will be increased to 150% of the applicable Group premium for providing coverage to other Subscribers under this Plan. During the extended period, a disabled individual's coverage will be terminated automatically as of the first day of the month that is more than thirty (30) days after a final determination that the Subscriber or Dependent is no longer disabled.

The individual is required to notify the Group within thirty (30) days of such determination. Disabled individuals are also subject to termination as set forth in 3.1(f).

2. **Second Qualifying Event Extension.** If a second qualifying event occurs while receiving eighteen (18) months of COBRA continuation coverage, an enrolled spouse and Dependent children can qualify for eighteen (18) additional months of COBRA continuation coverage, for a maximum of thirty-six (36) months, if notice of the second qualifying event is properly given to the Plan.

This extension may be available to the spouse and any Dependent children receiving COBRA continuation coverage if the Subscriber or former Subscriber:

Evidence of Coverage

- dies;
 - becomes entitled to Medicare benefits (under Part A, Part B, or both);
 - gets divorced or legally separated; or
 - if the Dependent child no longer qualifies as a Dependent child as provided in Section 1. of this EOC.
- f) **Required Notification.** The Subscriber or Dependent must notify Group and Group must notify HPN within sixty (60) days beginning from the latest of:
1. the date on which the relevant qualifying event occurs;
 2. the date on which there is a loss of coverage under the Plan as a result of the qualifying event; or
 3. the date on which the Subscriber or Dependent is informed through the Plan's EOC or the general COBRA notice of their obligation to provide notice and the procedures for providing such notice.

The Subscriber or Dependent must provide notice to Group of any of the following qualifying events:

- A Subscriber's divorce.
- A Subscriber's legal separation.
- A Dependent no longer meets HPN's eligibility rules.
- A second qualifying event after a Subscriber or Dependent has become entitled to COBRA continuation coverage with a maximum duration of eighteen (18) or twenty-nine (29) months.
- A Subscriber or Dependent entitled to receive COBRA continuation coverage with a maximum duration of eighteen (18) months has been determined by the Social Security Administration under Title II or XVI of SSA to be disabled at any time during the first sixty (60) days of COBRA continuation coverage.

The Member who seeks the disability extension must notify the Plan Administrator and HPN of the Social Security Administration disability determination no later than sixty (60) days after the latest of:

- 1) The date of Social Security Administration determination;
 - 2) The date on which the qualifying event occurs;
 - 3) The date on which the Subscriber or Dependent loses coverage under the Plan as a result of a qualifying event;
 - 4) The date on which the Subscriber or Dependent is informed through the Plan's EOC or the general COBRA notice of their obligation to provide notice.
- A disabled Subscriber or Dependent, who has subsequently been determined by the Social Security Administration under Title II or XVI of the SSA to no longer be disabled.

If a Member is determined by the Social Security Administration to no longer be disabled, the Member must notify the Plan of that fact within thirty (30) days after the Social Security Administration's determination.

Any Subscriber, Dependent or any representative designated or authorized to act on behalf of the Subscriber or Dependent may provide the notice and the provision of notice by one individual shall satisfy any responsibility to provide notice on behalf of the Subscriber and all Dependents with respect to the qualifying event.

- g) **Non-Eligibility and Termination.** In addition to HPN's other rights to terminate this coverage as shown in Section 2., COBRA continuation coverage will not be allowed or shall be terminated prior to the end of the applicable eighteen (18)-month, the nineteen (19) to twenty-nine (29) month extension period for the disability extension, or thirty-six (36)-month period for Dependents, if any of the following occur:

- The GEA is terminated in its entirety.
- The Subscriber, spouse or Dependent fails to pay premiums in full when due.

The Subscriber or Dependent will have a one-time only initial grace period of forty-five (45)

Evidence of Coverage

days from the date of COBRA election to make the first premium payment.

Thereafter, payments for COBRA continuation coverage are due by the first day of each monthly period to which the payment applies (payments must be postmarked on or before the thirty (30)-day grace period).

If you do not make payments on a timely basis, COBRA continuation coverage will terminate as of the last day of the period for which timely payment was made.

- The Subscriber or Dependent becomes eligible for coverage under another Group Health Benefit Plan which does not include a Preexisting Condition clause that applies to the Subscriber or a Dependent.
- The divorced spouse remarries and becomes eligible for coverage under another Group Health Benefit Plan.
- The Subscriber or Dependent becomes entitled to Medicare benefits (under Part A, Part B or both) after electing COBRA continuation coverage.
- A disabled Subscriber is found to be no longer disabled.

The Plan Administrator has the sole obligation to provide the Subscriber or Dependent with a notice of termination in the event that COBRA continuation coverage is terminated prior to the end of the maximum period. HPN assumes no responsibility for the Plan Administrator's failure to provide such notification to the eligible Members.

- h) **Address Changes.** The Member shall be responsible for notifying Group of any changes in the addresses of enrolled Dependents.
- i) **Plan Contact Information.** For additional information about the Plan or your rights under COBRA continuation coverage, contact HPN's Member Services Department by calling (702) 242-7300 or 1-800-777-1840.
- j) **COBRA and FMLA.** If the Subscriber has taken a leave of absence under the Family Medical Leave Act of 1993 (FMLA) and does

not return to work at the end of the FMLA leave, the Subscriber and Dependents may elect COBRA continuation coverage for up to eighteen (18) months from the earliest to occur of the following:

- The date that the Subscriber states that they will not be returning to work at the end of the leave;
- The end of the approved leave, assuming that the Subscriber does not return, and
- The date that the FMLA entitlement ends.

For purposes of an FMLA leave, the Subscriber and Dependents will be eligible for COBRA continuation coverage only if:

- The Subscriber and Dependents are covered by the Group Health Benefit Plan on the day before the leave begins (or become covered during the FMLA leave);
- The Subscriber does not return to employment at the end of the FMLA leave; and
- The Subscriber or Dependents lose coverage under HPN's Group Health Benefit Plan before the end of what would be the maximum COBRA continuation coverage period.

3.2 Federal Continuation of Coverage under the Uniformed Services Employment and Reemployment Rights Act (USERRA)
--

For Groups of any size, the Subscriber or any Dependents shall have the right to continue Group coverage as follows.

- (a) **Eligibility.** In the event that Subscriber and any Dependent would lose coverage under the Plan because of Subscriber's absence from work due to Subscriber's service in the uniformed services, Subscriber may elect to continue coverage under the Plan on behalf of Subscriber and any Dependents.
- (b) **Duration of COBRA Continuation Coverage.** The maximum period of COBRA continuation coverage under this section shall be the lesser of:
 1. the 24-month period beginning on the date on which the Subscriber's absence from work begins; or
 2. the day after the date on which the Subscriber fails to apply for or return to work with the Group as follows:

Evidence of Coverage

- a. If the Subscriber served in the uniformed services and is absent from work for less than thirty-one (31) days;
- (1) COBRA continuation coverage ends on the day after the date the Subscriber submits an application for reemployment which must not be later than the beginning of the first full regularly scheduled work period on the first full calendar day following completion of the period of service and the expiration of eight (8) hours after a period allowing for the Subscriber's transportation from the place of that service to the Subscriber's residence; or
 - (2) as soon as possible after the expiration of the eight (8) hour period referred to in (1) if reporting within the period under (1) is impossible or unreasonable through no fault of the Subscriber.
- b. If the Subscriber is absent from work for any period for purposes of determining the Subscriber's fitness to perform service in the uniformed service, not later than the period described in (1) above.
- c. If the Subscriber served in the uniformed services and is absent from work for more than thirty (30) days but less than 181 days, COBRA continuation coverage ends on the day after the date the Subscriber submits an application for reemployment, which must not be later than fourteen (14) days after completion of the period of service. If applying within that period is impossible or unreasonable through no fault of the Subscriber, then the application for reemployment must be made by the next first full calendar day when applying becomes possible.
- d. If the Subscriber served in the uniformed services and is absent from work for more than 180 days, COBRA continuation coverage ends on the day after the date the Subscriber submits an application for reemployment which must not be later than ninety (90) days after completion of such period of service.

- (c) **Premium for COBRA Continuation Coverage.** A Subscriber electing COBRA continuation coverage under this section shall be responsible for paying the applicable premium for such coverage. The premium for COBRA continuation coverage shall not exceed 102% of the applicable premium for providing coverage to other Subscribers of the Group. However, if the Subscriber performs service in the uniformed services for less than thirty-one (31) days, the Subscriber shall be liable only for the premium contribution (if any) that the Subscriber was paying for coverage under the Plan immediately prior to serving in the uniformed services.

3.3 State of Nevada Continuation of Coverage

For Groups who have nineteen (19) or less Eligible Employees:

- (a) **Subscriber.** Each terminated Subscriber covered under the Group Plan for at least twelve (12) consecutive months has the right to elect continued medical-only coverage under the Group Plan for eighteen (18) months after termination of employment, if termination is due to reasons other than for gross misconduct or if there is a reduction in the Subscriber's regularly scheduled hours of employment provided the Subscriber continues to reside or work within the HPN Service Area.

However, a Subscriber who voluntarily leaves his employment, or the Dependents of that Subscriber, are not eligible to continue coverage under this provision.

- (b) **Eligible Family Members.** The Subscriber's Dependents who continue to reside within HPN's Service Area who have been continuously covered under the Group Plan for at least twelve (12) consecutive months, except as provided in 3.3(g) below, have the right to elect to continue medical-only coverage under the Group Plan for thirty-six (36) months if they lose coverage due to any of the following reasons:

- The death of the Subscriber.
- Divorce or legal separation of the covered Subscriber.
- A Subscriber selecting Medicare as the primary carrier.
- A Dependent no longer qualifies as a Dependent child as provided in Section 1. of this EOC.

The Dependent of a Subscriber who voluntarily leaves employment with the Group is not eligible for coverage under this provision.

Evidence of Coverage

(c) **Required Notification of Election of Continuation of Coverage.** A Subscriber or Dependent identified in (a) or (b) above must notify Group that he is eligible to continue coverage within sixty (60) days of the event which qualifies that person for continued coverage in order to be eligible for continuation of health coverage under this provision.

(d) **Notice from Group.** Upon receiving notice of the qualifying event, the Group will provide the Subscriber or Dependent, information concerning the actions required to elect continuation of coverage and the premium to be paid.

HPN assumes no responsibility for Group's failure to provide such notification to the eligible Members. If HPN is not informed of the election of continuation of coverage within such sixty (60)-day period, HPN assumes no further obligation to provide such continuation of coverage.

(e) **Premium Payment.** The premium for the continued coverage shall be 125% of the premium that would have been payable by Group and must be paid on a quarterly basis. Within sixty (60) days after receipt of the notice from Group described in (d) above, the Subscriber or Dependent must pay the first quarterly premium payment to HPN.

(f) **Required Notification to Member.** Within sixty (60) days after receipt of the notice from the Group described in paragraph (d) above, the Subscriber, spouse, or Dependent child must pay the first quarterly premium payment to HPN.

(g) **Non-eligibility and Termination.** In addition to HPN's other rights to terminate this coverage as set forth in Section 2., continuation of coverage will not be allowed or shall be terminated prior to the end of the eighteen (18)-month or thirty-six (36)-month period, if any of the following occurs:

- The GEA is terminated in its entirety.
- The premium for the continuation of coverage is not paid within thirty (30) days after the due date.
- The Subscriber or Dependent obtains coverage under another Group Health Benefit Plan.
- The Subscriber no longer resides or works within HPN's Service Area or a Dependent no

longer resides within HPN's Service Area.

3.4 Total Disability of Subscriber

For Groups of any size, continuation of coverage shall be offered to each Subscriber and their Dependents who are otherwise covered by this Plan while the Subscriber is on leave without pay (as defined by the GEA), as a result of Total Disability. This coverage is for any Injury or Illness suffered by the Subscriber, which is not related to the Total Disability or for any Injury or Illness suffered by a Dependent. This coverage will continue, subject to the payment of the applicable premium, until the earliest to occur of:

3.5 Conversion Rights

For Groups of any size, the Subscriber and/or Dependents shall have the right of conversion when continuation coverage ends, subject to the conversion provisions set forth in this EOC. The benefits provided by the conversion coverage may not be as comprehensive as those provided by this Plan.

Evidence of Coverage

3.7 State Law

In the event that applicable state law requires different continuation of coverage provisions for any size Group, the provisions required by such state law will apply.

SECTION 4. Conversion Provision

This section tells you under what conditions your coverage can be converted to a non-Group plan.

4.1 Who Can Convert

Only a Subscriber (and his Dependents) terminating Group coverage, and only a Member who no longer meets the eligibility requirements of Section 1., who has been enrolled under this Plan for at least three (3) consecutive months, has the right to convert coverage to the non-Group healthcare program available at the time of application, without giving evidence of good health. The benefits provided by the conversion coverage will be a plan approved by the State of Nevada Division of Insurance and may differ from those offered by this Plan.

4.2 Who Cannot Convert

A Member is not eligible to convert if any of the following occur:

- The GEA is terminated in its entirety or the Member's insured class is terminated.
- The Group replaced this Plan with another fully-insured or self-insured healthcare program within thirty-one (31) days after termination of the GEA.
- The Member does not remain a resident of HPN's Service Area.
- Adoption proceedings are terminated with respect to a child who has been Placed for Adoption with Member.

4.3 Conditions

A Member must apply for conversion and must make timely payment of any applicable premiums within thirty-one (31) days of the date on which he is no longer eligible for Group coverage. The benefits provided by the Individual Conversion Plan may not be as comprehensive as those provided by this Plan.

Conversion rights are subject to all terms and conditions HPN may have in effect at the time of

application for conversion. HPN or Group will provide, upon request, further details of the conversion policy.

SECTION 5. Managed Care Program

This section tells you about HPN's Managed Care Program and which Covered Services require Prior Authorization.

5.1 Managed Care Program

HPN's Managed Care Program, using the services of professional medical peer review committees, utilization review committees, and/or the Medical Director, determines whether services and supplies are Medically Necessary. HPN's Managed Care Program helps direct care to the most appropriate setting to provide healthcare in a cost-effective manner.

5.2 Managed Care Program Requirements

HPN's Managed Care Program requires the Member, Plan Providers and HPN to work together.

- All Plan Providers have agreed to participate in HPN's Managed Care Program. Plan Providers have agreed to accept HPN's Reimbursement Schedule amount as payment in full for Covered Services, less the Member's payment of any applicable Copayment, Deductible or Coinsurance amount, whereas Non-Plan Providers have not. Members enrolled under HPN's HMO Plans who use the services of Non-Plan Providers will receive no benefit payments or reimbursement for amounts for any Covered Service, except in the case of Emergency Services or Urgently Needed Services as defined in this EOC, or other Covered Services provided by a Non-Plan Provider that are Prior Authorized by HPN's Managed Care Program including any Prior Authorized Covered Services obtained from a Non-Plan outpatient facility, such as a laboratory, radiological facility (x-ray), or any complex diagnostic or therapeutic services. In no event will HPN pay more than the maximum payment allowance established in the HPN Reimbursement Schedule.
- It is the Member's responsibility to verify that the Provider selected is a Plan Provider before receiving any non-Emergency Services and to comply with all other rules of HPN's Managed Care Program.

Compliance by the Member with HPN's Managed Care Program is mandatory. Failure to comply with the rules of HPN's Managed Care Program means the Member will be responsible for costs of services received.

Evidence of Coverage

5.3 Managed Care Process

The Medical Director and/or HPN's Utilization Review Committee will review proposed services and supplies to be received by a Member to determine:

- If the services are Medically Necessary and/or appropriate.
- The appropriateness of the proposed setting.
- The required duration of treatment or admission.

Following review, HPN will complete the Prior Authorization form and send a copy to the Provider and the Member. The Prior Authorization form will specify approved Covered Services and supplies.

Prior Authorization is not a guarantee of payment for Covered Services.

The final decision as to whether any care should be received is between the Member and the Provider. If HPN denies a request by a Member and/or Provider for Prior Authorization of a service or supply, the Member or Provider may appeal the denial to the Grievance Review Committee (see the Appeals Procedures Section herein).

5.4 Services Requiring Prior Authorization

All Covered Services not provided by the Member's Primary Care Physician (PCP) require Prior Authorization from the PCP and HPN's Managed Care Program. The following Covered Services require Prior Authorization and review through HPN's Managed Care Program.

- Outpatient surgery provided in any setting, including technical and professional services.

The Member must report all emergency admissions to the Member Services Department within 24 hours of admission or as soon as reasonably possible to authorize continued care at (702) 242-7300 or 1-800-777-1840.

All emergency admissions are reviewed Retrospectively to determine if the treatment received was Medically Necessary and appropriate and was for Emergency Services as defined in this EOC. If such Emergency Services are provided by Non-Plan Providers, all Medically Necessary professional, Inpatient or outpatient Emergency Services will be Covered Services.

5.6 Independent Medical Review; Appeals Rights

HPN may require a Member to have an Independent Medical Review prior to issuing Prior Authorization for any medical benefits. In that case, only a Physician or Chiropractor who is certified to practice in the same field of practice as the primary treating Physician or Chiropractor or who is formally educated in that field will conduct the review.

The Independent Medical Review will include a physical exam of the Member and a personal review of all x-rays and reports made by the primary treating Physician or Chiropractor. A certified copy of all reports of findings will be sent to the primary treating Physician or Chiropractor and the Member within ten (10) business days after the review.

If the Member disagrees with the findings of the review, he must submit an appeal for binding arbitration to HPN within thirty (30) days after he receives the report. Please refer to the Appeals Procedures Section in this EOC for more information.

5.7 Appeals Rights

All decisions of HPN's Managed Care Program may be appealed by the Member through the Appeals Procedures. If

Evidence of Coverage

an imminent and serious threat to the health of the Member exists, the appeal will be directed to HPN's Medical Director.

6.3 Continuity of Care from Plan Providers

Termination of a Plan Provider's contract will not release the Provider from treating a Member, except for reasons of medical incompetence or professional misconduct as determined by HPN.

Coverage provided under this section is available until the latest of the following dates:

- The 120th day following the date the contract was terminated between the Provider and HPN; or
- If the medical condition is pregnancy, the 45th day after the date of delivery or if the pregnancy does not end in delivery the date of the end of the pregnancy.

The Member or Plan Provider may submit a request for continuity of care to the address shown below. If the Plan agrees to the continued treatment, the Plan will pay for Covered Services at the Plan Provider level of benefits for a limited time, as outlined above. The Plan Provider may not seek payment from the Member for any amounts for which the Member would not be responsible if the Provider were still a Plan Provider.

- Natural disaster.
- War.
- Riot.
- Civil insurrection.
- Epidemic.
- Or any other emergency beyond HPN's control.

In the event of one of these types of emergencies, HPN and its Plan Providers will provide the Covered Services shown in this EOC to the extent practical according to their best judgment.

9.2 Calendar Year and Lifetime Maximum Benefit Limitations

Please see the Attachment A Benefit Schedule for Calendar Year maximums or lifetime maximums applicable to certain benefits.

9.3 Reimbursement

Reimbursement for Covered Services approved by HPN and provided by a Non-Plan Provider outside HPN's Service Area shall be limited to the average payment which HPN makes to Plan Providers in HPN's Service Area.

SECTION 10. Coordination of Benefits (COB)

This section tells you how other health insurance you may have affects your coverage under this Plan.

10.1 The Purpose of COB

Coordination of Benefits (COB) is intended to help contain the cost of providing healthcare coverage. When an individual person has dual coverage through HPN and another healthcare plan, the COB guidelines outlined in this Section apply. The COB guidelines explain how, in a dual healthcare coverage situation, benefits are coordinated or shared by each plan.

10.2 Benefits Subject to COB

All of the healthcare benefits provided under this EOC are subject to this Section. The Member agrees to permit HPN to coordinate its obligations under this EOC with payments under any other Group Health Benefit Plan that covers the Member.

10.3 Definitions

Some words in this Section have a special meaning to meet the needs of this Section. These words and their meaning when used are:

- (a) "**Plan**" will mean an entity providing Group healthcare benefits or services by any of the following methods:
1. Insurance or any other arrangement for coverage for individuals whether on an insured or uninsured basis, including the following:
 - a. Hospital indemnity benefits with regard to the amount in excess of \$30 per day.
 - b. Hospital reimbursement type plans which permit the insured person to elect indemnity benefits at the time of claim.
 2. Service plan contracts, group practice, individual practice and other prepayment coverage.
 3. Any coverage for students that is sponsored by, or provided through, school or other educational institutions, other than accident coverage for grammar school or high school students that the

Evidence of Coverage

parent pays the entire premium.

4. Any coverage under labor management trustee plans, union welfare plans, employer organization plans, employee benefit plans, or employee benefit organization plans.
5. Coverage under a governmental program, including Medicare and workers' compensation plans.

The term "Plan" will be construed separately with respect to each policy, contract or other arrangement for benefits or services and separately with respect to that portion of any such policy, contract or other arrangement which reserves the right to take the benefits or services of other Plans into consideration in determining its benefits and that portion which does not.

- (b) "**Allowable Expense**" means the Eligible Medical Expense for Medically Necessary Covered Services. When a Plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered shall be an Allowable Expense and a benefit paid.
- (c) "**Claim Determination Period**" means the Calendar Year.
- (d) "**Primary Plan**" means a Plan that, in accordance with the rules regarding the order of benefits determination, provides benefits or benefit payments without considering any other Plan.
- (e) "**Secondary Plan**" means a Plan that in accordance with the rules regarding the order of benefit determination, may reduce its benefits or benefit payments and/or recover from the Primary Plan benefit payments.

10.4 When COB Applies

COB applies when a Member covered under this Plan is also entitled to receive payment for or provision of some or all of the same Covered Services from another Plan.

10.5 Determination Rules

The rules establishing the order of benefit determination are:

- (a) **Non-Dependent or Dependent.** A Plan that covers the person as a Subscriber is primary to a Plan that covers the person as a Dependent.

- (b) **Dependent Child of Parents Not Separated or Divorced.** Except as stated in 10.5(c) below, when this Plan and another Plan cover the same child as a Dependent of different parents:

1. The Plan of the parent whose birthday falls earlier in the Calendar Year is primary to the Plan of the parent whose birthday falls later in the year.
2. If both parents have the same birthday, the Plan that has covered a parent for a longer period of time is primary.
3. If the other Plan does not have the rule described in (1) immediately above, but instead has a rule based on the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

- (c) **Dependent Child of Separated or Divorced Parents.** If two (2) or more Plans cover a person as a Dependent child of divorced or separated parents, benefits for the child are determined in this order:

1. If there is a court decree that would establish financial responsibility for the medical, dental or other healthcare expenses with respect to the child, the benefits of a Plan that covers the child as a Dependent of the parent with such financial responsibility shall be determined before the benefits of any other Plan that covers the child as a Dependent child;
2. Second, the Plan of the parent with custody of the child;
3. Third, the Plan of the spouse (stepparent) of the parent with custody of the child;
4. Finally, the Plan of the parent not having custody of the child.

- (d) **Active/Inactive Subscriber.** A Plan that covers a person as a Subscriber who is neither laid-off nor retired (or that Subscriber's Dependents) is primary to a Plan that covers that person as a laid-off or retired Subscriber (or that Subscriber's Dependents). If the other Plan does not have this rule, and if as a result, the Plans do not agree on the order of benefits, this rule (d) is ignored.

- (e) **Longer/Shorter Length of Coverage.** If none of the above rules determines the order of benefits, the Plan that covered the person for a longer period of time is primary to the Plan which covered that person for the shorter time period.

Evidence of Coverage

Two consecutive Plans shall be treated as one Plan if:

1. That person was eligible under the second Plan within 24 hours after the termination of the first Plan; and
2. There was a change in the amount or scope of a Plan's benefits or there was a change in the entity paying, providing or administering Plan benefits; or
3. There was a change from one type of Plan to another (e.g., single employer to multiple employer Plan).

(f) **If No COB Provision.** If another Plan does not contain a provision coordinating its benefits with those of this Plan, the benefits of such other Plan will be considered primary.

10.6 How COB Works

Plans use COB to decide which healthcare coverage programs should be the Primary Plan for the Covered Service. If the Primary Plan payment is less than the charge for the Covered Service, then the Secondary Plan will apply its Allowable Expense to the unpaid balance. Benefits payable under another Plan include the benefits that would have been payable if the Member had filed a claim for them.

10.7 Right to Receive and Release Information

In order to decide if this COB Section (or any other Plan's COB Section) applies to a claim, HPN (without the consent of or notice to any person) has the right to the following:

- (a) Release to any person, insurance company or organization, the necessary claim information.
- (b) Receive from any person, insurance company or organization, the necessary claim information.
- (c) Require any person claiming benefits under this Plan to give HPN any information needed by HPN to coordinate those benefits.

10.8 Facility of Payment

If another Plan makes a payment that should have been made by HPN, then HPN has the right to pay the other Plan any amount necessary to satisfy HPN's obligation. Any amount paid shall be deemed to be benefits paid

under this Plan, and to the extent of such payments, HPN shall be fully discharged from liability under this Plan.

10.9 Right to Recover Payment

If the amount of benefit payment exceeds the amount needed to satisfy HPN's obligation under this section, HPN has the right to recover the excess amount from one or more of the following:

- (a) Any persons to or for whom such payments were made.
- (b) Any group insurance companies or service plans.
- (c) Any other organizations.

10.10 Failure to Cooperate

If a Member fails to cooperate with HPN's administration of this section, the Member may be responsible for the expenses for the services rendered and if legal action is taken, a court could make the Member responsible for any legal expense incurred by HPN to enforce its rights under this section.

Member cooperation includes the completion of the necessary paperwork that would enable HPN to collect payment from the Primary Plan for services. Any benefits paid to the Member in excess of actual expenses must be refunded to HPN.

SECTION 11. Subrogation

If a Member's Illness or Injury is caused by a third party, and the Member has the right to recover damages from that third party, HPN will provide or make payment for Covered Services related to such Illness or Injury. Acceptance of such Covered Services or payment shall constitute consent to the provisions of this section.

11.1 Member Reimbursement Obligation

If a Member receives payment for medical services and supplies from a third party through a suit or settlement, the Member will be obligated to reimburse HPN for the actual cost incurred by HPN for benefits provided under this Plan for such services and supplies, but no more than the amount the Member recovers.

11.2 HPN's Right of Recovery

HPN shall place a lien on all funds recovered by the Member up to the actual cost incurred by HPN for the services and supplies provided to the Member. HPN may give notice of that lien to any party who may have contributed to the loss.

Evidence of Coverage

HPN has the right to be subrogated to the Member's rights to the extent of the benefits payable for Covered Services received under this Plan. This includes HPN's right to bring suit against a third party in the Member's name.

11.3 Member Cooperation

The Member must take such action, furnish such information and assistance, and execute such instruments as HPN may require to facilitate enforcement of its rights under this provision. The Member shall take no action prejudicing the rights and interests of HPN under this provision.

Any Member who fails to cooperate in HPN's administration of this section shall be responsible for the actual cost of the services rendered in connection with the Illness or Injury caused by a third party.

SECTION 12. General Provisions

12.1 Relationship of Parties

The relationship between HPN and Plan Providers is an independent contractor relationship. Plan Providers are not agents or employees of HPN; nor is HPN, or any employee of HPN, an employee or agent of a Plan Provider. HPN is not liable for any claim or demand on account of damages as a result of, or in any manner connected with, any Injury suffered by a Member while receiving care from any Plan Provider or in any Plan Provider's facility. HPN is not bound by statements or promises made by its Plan Providers.

12.2 Entire Agreement

This EOC, including Attachment A Benefit Schedule and any other Attachments, Endorsements, Riders or Amendments to it, the Member's Enrollment Form, health statements, Member Identification Card, and all other applications received by HPN constitutes the entire agreement between the Member and HPN and as of its Effective Date, replaces all other agreements between the parties. For the duration of time a Member's coverage is continuously effective under HPN, regardless of the occurrence of any specific Plan or product changes during such time, all benefits paid by HPN under any and all such Plans on behalf of such Member shall accumulate towards any applicable lifetime or other maximum benefit amounts as stated in the Member's most current Plan Attachment A Benefit Schedule to the EOC.

12.3 Contestability

Any and all statements made to HPN by Group and any Subscriber or Dependent, will, in the absence of fraud, be considered representations and not warranties. Also, no statement, unless it is contained in a written application for coverage, shall be used in defense to a claim under this Plan.

12.4 Authority to Change the Form or Content of this Plan

No agent or employee of HPN is authorized to change the form or content of this Plan or waive any of its provisions. Such changes can be made only through an amendment authorized and signed by an officer of HPN.

12.5 Identification Card

Cards issued by HPN to Members are for identification only. Possession of an HPN identification card does not give the holder any right to services or other benefits under this Plan.

To be entitled to such services or benefits, the holder of the card must in fact be a Member and all applicable premiums must actually have been paid. Any person not entitled to receive services or other benefits will be liable for the actual cost of such services or benefits.

12.6 Notice

Any notice under this Plan may be given by United States mail, first class, postage prepaid, addressed as follows:

Health Plan of Nevada, Inc.
P.O. Box 15645
Las Vegas, Nevada 89114-5645

Notice to a Member will be sent to the Member's last known address.

12.7 Interpretation of the EOC

The laws of the State of issue shall be applied to interpretation of this EOC. Where applicable, the interpretation of this EOC shall be guided by the direct-service nature of HPN's operation as opposed to a fee-for-service indemnity basis.

12.8 Assignment

This Plan is not assignable by Group without the written consent of HPN. The coverage and any benefits under this Plan are not assignable by any Member without the written consent of HPN.

Evidence of Coverage

12.9 Modifications

The Group makes HPN coverage available under this Plan to individuals who are eligible under Section 1. However, this Plan is subject to amendment, modification or termination with sixty (60) days written notice to the Group without the consent or concurrence of the Members.

By electing medical coverage with HPN or accepting benefits under this Plan, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all terms and provisions.

12.10 Clerical Error

Clerical error in keeping any record pertaining to the coverage will not invalidate coverage in force or continue coverage terminated.

12.11 Policies and Procedures

HPN may adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of this Plan with which Members shall comply. These policies and procedures are maintained by HPN at its offices. Such policies and procedures may have bearing on whether a medical service and/or supply is covered.

12.12 Overpayments

HPN has the right to correct and/or collect benefit payments for healthcare services made in error. Hospitals, Physicians, Providers, and/or Members have the responsibility to return any overpayments or incorrect payments to HPN. HPN has the right to offset any such overpayment against any future payments.

12.13 Cost Containment Features

This Plan contains at least the following cost containment provisions including, but not limited to:

- (a) Preventive healthcare benefits.
- (b) The Managed Care Program.
- (c) Benefit limitations on certain services.
- (d) Member Copayments.

12.14 Release of Records

Each Member authorizes the Physician, Hospital, Skilled Nursing Facility or any other Provider of healthcare to permit the examination and copying of the Member's medical records, as requested by HPN.

Information from medical records and information received from Physicians or Hospitals incident to the Physician/Patient relationship or Hospital/Patient relationship shall be kept confidential and except for use in connection with government requirements established by law or the administration of this Plan, records may not be disclosed to any unrelated third party without the Member's consent.

12.15 Reimbursement for Claims

Non-Plan Providers may require immediate payment for their services and supplies. When seeking reimbursement from HPN for expenses incurred in connection with services received from Non-Plan Providers, the Member must complete a Non-Plan Provider Claim Form and submit it to the HPN Claims Department with copies of all of the medical records, bills and/or receipts from the Provider. Non-Plan Provider Claim Forms can be obtained by contacting the Member Services Department at (702) 242-7300 or 1-800-777-1840.

If the Member receives a bill for Covered Services from a Non-Plan Provider, the Member may request that HPN pay the Provider directly by sending the bill, with copies of all medical records and a signed completed Non-Plan Provider Claim Form, to the HPN Claims Department.

HPN shall approve or deny a claim within thirty (30) days after receipt of the claim. If the claim is approved, the claim shall be paid within thirty (30) days from the date it was approved. If the approved claim is not paid within that thirty (30) day period, HPN shall pay interest on the claim at the rate set forth by applicable Nevada law. The interest will be calculated from thirty (30) days after the date on which the claim is approved until the date upon which the claim is paid.

HPN may request additional information to determine whether to approve or deny the claim. HPN shall notify the Provider of its request for additional information within twenty (20) days after receipt of the claim. HPN will notify the Provider of the healthcare services of all the specific reasons for the delay in approving or denying the claim. HPN shall approve or deny the claim within thirty (30) days after receiving the additional information. If the claim is approved, HPN shall pay the claim within thirty (30) days after it receives the additional information. If the approved claim is not paid within that time period, HPN shall pay interest on the claim in the manner set forth above.

Evidence of Coverage

If HPN denies the claim, notice to the Member will include the reasons for the rejection and the Members right to file a written complaint as set forth in the Appeals Procedures Section herein.

12.16 Timely Filing Requirement

All claims must be submitted to HPN within sixty (60) days from the date expenses were incurred, unless it shall be shown not to have been reasonably possible to give notice within the time limit, and that notice was furnished as soon as was reasonably possible. If Member authorizes payment directly to the Provider, a check will be mailed to that Provider. A check will be mailed to the Member directly if payment directly to the Provider is not authorized. The Member will receive an explanation of how the payment was determined.

No payments shall be made under this Plan with respect to any claim, including additions or corrections to a claim which has already been submitted, that is not received by HPN within twelve (12) months after the date Covered Services were provided. In no event will HPN pay more than HPN's Eligible Medical Expense for such services.

12.17 Gender References

Whenever a masculine pronoun is used in this EOC, it also includes the feminine pronoun.

12.18 Legal Proceedings

No action of law or equity shall be brought to recover on the Plan prior to the expiration of sixty (60) days after proof of claim has been filed in accordance with the requirements of the Plan. No such action shall be brought at any time unless brought within the time limit allowed by the laws of the jurisdiction of issue.

If the laws of the jurisdiction of issue do not designate the maximum length of time in which such action may be brought, no action may be brought after the expiration of three (3) years from the time proof of loss is required by the Plan.

12.19 Availability of Providers

HPN does not guarantee the continued availability of any specific Plan Provider.

12.20 Physician Incentive Plan Disclosure

You are entitled to ask if HPN has special financial arrangements with their contracted Physicians that may

affect Referral services, such as lab tests and hospitalizations that you might need. To receive information regarding contracted Physician payment arrangements, please call the Member Services Department at the number listed on page 3 of this EOC. This information will be sent to you within thirty (30) days of the date that you make your request.

HPN will provide information on the financial arrangements that they have with their contracted Physicians to any requesting Member. The following information is available upon request, to current, previous and potential Plan Members:

1. Whether the managed care organizations' contracts or subcontracts include Physician incentive plans that affect the use of Referral services.
2. Information on the type of arrangements used.
3. Whether special insurance called stop-loss protection is required for Physicians or Physician groups.

12.21 Provisions Deemed to be in Compliance for National Accounts

This Plan meets the requirements for a Federally Qualified HMO for only those Groups defined as National Accounts. For the purposes of this Plan, a National Account is defined as a company with a principal office located outside the state of Nevada, with employees located in multiple states, to include Nevada. With respect to National Accounts, provisions of the HPN EOC that are determined by the appropriate regulatory agency not to be in compliance or agreement with applicable regulations for Federally Qualified HMOs, are hereby amended in accordance with such requirements.

12.22 Authorized Representative

A Member may elect to designate an "Authorized Representative" to act on their behalf to pursue a Claim for Benefits or the appeal of an Adverse Benefit Determination. The term Member also includes the Member's Authorized Representative, where applicable and appropriate. To designate an Authorized Representative, a written notice, signed and dated by the Member, is required. The notice must include the full name of the Authorized Representative and must indicate specifically for which Claim for Benefits or appeal the authorization is valid. The notice should be sent to:

Health Plan of Nevada, Inc.

Attn:

Customer Response and Resolution Dept.

P.O. Box 15645

Las Vegas, NV 89114-5645

Evidence of Coverage

Any correspondence from HPN regarding the specified Claim for Benefits or appeal will be provided to both the Member and his Authorized Representative.

In case of an Urgent Care Claim, a healthcare professional with knowledge of the Member's medical condition shall be permitted to act as an Authorized Representative of the Member without designation by the Member.

12.23 Failure to Obtain Prior Authorization

All requests for Prior Authorization must be initiated by the Member's Physician. If a Physician or Member fails to follow the Plan's procedures for filing a request for Prior Authorization (Pre-Service Claim), the Member shall be notified of the failure and the proper procedures to be followed in order to obtain Prior Authorization provided the Member's request for Prior Authorization is received by an employee or department of the Plan customarily responsible for handling benefit matters and the original request specifically named the Member, a specific medical condition or symptom, and a specific treatment, service or product for which approval is requested. The Member notification of correct Prior Authorization procedures from the Plan shall be provided as soon as possible, but not later than five (5) days (twenty-four (24) hours in the case of an Urgent Care Claim) following the Plan's receipt of the Member's original request. Notification by HPN may be oral unless specifically requested in writing by the Member.

12.24 Timing of Notification of Benefit Determination

Concurrent Care Decision - If HPN has approved an ongoing course of treatment to be provided over a period of time or number of treatments and reduces or terminates coverage of such course of treatment (other than by Plan amendment or termination) before the end of such period of time or number of treatments, HPN will notify the Member at a time sufficiently in advance of the reduction or termination to allow the Member to appeal and obtain a determination before the benefit is reduced or terminated. Subject to the following paragraph, such request may be treated as a new Claim for Benefits and decided within the timeframes applicable to either a Pre-Service Claim or a Post-Service Claim, as appropriate. Provided, however, any appeal of such a determination must be made within a reasonable time and may not be afforded the full 180 day period as described in the Appeals Procedures Section herein.

Any request by a Member to extend the course of treatment beyond the period of time or number of treatments for an Urgent Care Claim shall be decided as soon as possible. HPN shall notify the Member within twenty-four (24) hours after receipt of the Claim for Benefits by the Plan, provided that the request is received at least twenty-four (24) hours prior to the expiration of the authorized period of time or number of treatments. If the request is not made at least twenty-four (24) hours prior to the expiration of the authorized period of time or number of treatments, the request will be treated as an Urgent Care Claim.

12.25 Notification of an Adverse Benefit Determination

If you receive an Adverse Benefit Determination, you will be informed in writing of the following:

- The specific reason or reasons for upholding the Adverse Benefit Determination;
- Reference to the specific Plan provisions on which the determination is based;
- A description of any additional material or information necessary for the Claim for Benefits to be approved, modified or reversed, and an explanation of why such material or information is necessary;
- A description of the review procedures and the time limits applicable to such procedures;
- For Member's whose coverage is subject to ERISA, a statement of the Member's right to bring a civil action under ERISA Section 502(a) following an appeal of an Adverse Benefit Determination, if applicable;
- A statement that any internal rule, guideline, protocol or other similar criteria that was relied on in making the determination is available free of charge upon the Member's request; and
- If the Adverse Benefit Determination is based on Medical Necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment or a statement that such explanation will be provided free of charge.

SECTION 13. Appeals Procedures

The HPN Appeals Procedures are available to you in the event you are dissatisfied with some aspect of the Plan administration or you wish to appeal an Adverse Benefit Determination. This procedure does not apply to any problem of misunderstanding or misinformation that can be promptly

Evidence of Coverage

resolved by the Plan supplying the Member with the appropriate information.

If a Member's Plan is governed by ERISA, the Member must exhaust the mandatory level of appeal before bringing a claim in court for a Claim of Benefits.

Concerns about medical services are best handled at the medical service site level before being brought to HPN. If a Member contacts HPN regarding an issue related to the medical service site and has not attempted to work with the site staff, the Member may be directed to that site to try to solve the problem there, if the issue is not a Claim for Benefits.

Please see the Glossary Terms Section herein for a description of the terms used in this section.

The following Appeals Procedures will be followed if the medical service site matter cannot be resolved at the site or if the concern involves the Adverse Benefit Determination of a Claim for Benefits. All Appeals will be adjudicated in a manner designed to ensure independence and impartiality on the part of the persons making the decision.

Informal Review: An Adverse Benefit Determination or medical site service complaint/concern which is directed to the HPN Member Services Department via phone or in person. If an Informal Review is resolved to the satisfaction of the Member, the matter ends. The Informal Review is **voluntary**.

1st Level Formal Appeal: An appeal of an Adverse Benefit Determination filed either orally or in writing which HPN's Customer Response and Resolution Department investigates. If a 1st Level Formal Appeal is resolved to the satisfaction of the Member, the appeal is closed. The 1st Level Formal Appeal is **mandatory** if the Member is not satisfied with the initial determination and the Member wishes to appeal such determination.

2nd Level Formal Appeal: If a 1st Level Formal Appeal is not resolved to the Member's satisfaction, a Member may then file a 2nd Level Formal Appeal. A 2nd Level Formal Appeal is submitted in writing and reviewed by the Grievance Review Committee. The 2nd Level Formal Appeal is **voluntary** for all Adverse Benefit Determinations.

Grievance Review Committee: A committee in which the majority of those individuals who are voting members must be members of an HPN Health Benefit Plan.

Member Services Representative: An employee of HPN that is assigned to assist the Member or the Member's Authorized Representative in filing a grievance with HPN or appealing an Adverse Benefit Determination.

13.1 Informal Review

A Member who has received an Adverse Benefit Determination of a Claim for Benefits may request an Informal Review. All Informal Reviews must be made to HPN's Member Services Department within 180 days of the Adverse Benefit Determination. Informal Reviews not filed in a timely manner will be deemed waived. The Informal Review is a **voluntary** level of appeal.

Upon the initiation of an Informal Review, a Member must provide Member Services with at least the following information:

- The Member's name (or name of Member and Member's Authorized representative), address, and telephone number;
- The Member's HPN membership number and Group name; and
- A brief statement of the nature of the matter, the reason(s) for the appeal, and why the Member feels that the Adverse Benefit Determination was wrong.

The Member Services Representative will inform the Member that upon review and investigation of the relevant information, HPN will make a determination of the Informal Review. The determination will be made as soon as reasonably possible but will not exceed thirty (30) days unless more time is required for fact-finding. If the determination of the Informal Review is not acceptable to the Member and the Member wishes to pursue the matter further, the Member may file a 1st Level Formal Appeal.

13.2 1st Level Formal Appeal

When an Informal Review is not resolved in a manner that is satisfactory to the Member or when the Member chooses not to file an Informal Review and the Member wishes to pursue the matter further, the Member must file a 1st Level Formal Appeal. The 1st Level Formal Appeal must be submitted orally or in writing to HPN's Customer Response and Resolution Department within 180 days of an Adverse Benefit Determination. Such 180 days will run concurrently with the 180 day time period applicable to an Informal Review as set forth in Section 13.1. 1st Level Formal Appeals not filed in a timely manner will be deemed waived with respect to the Adverse Benefit Determination to which they relate.

The 1st Level Formal Appeal shall contain at least the following information:

- The Member's name (or name of Member and Member's Authorized Representative), address, and telephone number;

Evidence of Coverage

- The Member's HPN membership number and Group name; and
- A brief statement of the nature of the matter, the reason(s) for the appeal, and why the Member feels that the Adverse Benefit Determination was wrong.

Additionally, the Member may submit any supporting medical records, Physician's letters, or other information that explains why HPN should approve the Claim for Benefits. The Member can request the assistance of a Member Services Representative at any time during this process.

The 1st Level Formal Appeals should be sent or faxed to the following:

Health Plan of Nevada, Inc.
Attn: Customer Response and Resolution
Department
P.O. Box 15645
Las Vegas, NV 89114-5645
Fax: 1-702-266-8813

HPN will investigate the appeal. When the investigation is complete, the Member will be informed in writing of the resolution within thirty (30) days of receipt of the request for the 1st Level Formal Appeal. This period may be extended one (1) time by HPN for up to fifteen (15) days, provided that the extension is necessary due to matters beyond the control of HPN and HPN notifies the Member prior to the expiration of the initial thirty (30) day period of the circumstances requiring the extension and the date by which HPN expects to render a decision. If the extension is necessary due to a failure of the Member to submit the information necessary to decide the claim, the notice of extension shall specifically describe the required information and the Member shall be afforded at least forty-five (45) days from receipt of the notice to provide the information.

If the 1st Level Formal Appeal results in an Adverse Benefit Determination, the Member will be informed in writing of the following:

- The specific reason or reasons for upholding the Adverse Benefit Determination;
- Reference to the specific Plan provisions on which the determination is based;
- A statement that the Member is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Member's Claim for Benefits;
- A statement describing any voluntary appeal procedures offered by HPN and the Member's

right to receive additional information describing such procedures;

- For Member's whose coverage is subject to ERISA, a statement of the Member's right to bring a civil action under ERISA Section 502(a) following an Adverse Benefit Determination, if applicable;
- A statement that any internal rule, guideline, protocol or other similar criteria that was relied on in making the determination is available free of charge upon the Member's request; and
- If the Adverse Benefit Determination is based on Medical Necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment or a statement that such explanation will be provided free of charge as well as information regarding the Member's right to request an External Review by the State of Nevada's Office for Consumer Health Assistance (OCHA).

Limited extensions may be required if additional information is required in order for HPN to reach a resolution.

If the resolution to the 1st Level Formal Appeal is not acceptable to the Member and the Member wishes to pursue the matter further, the Member is entitled to file a 2nd Level Formal Appeal. The Member will be informed of this right at the time the Member is informed of the resolution of his 1st Level Formal Appeal.

13.3 Expedited Appeal

The Member can ask (either orally or in writing) for an Expedited Appeal of an Adverse Benefit Determination for a Pre-Service Claim that involves an Urgent Care Claim if the Member or his Physician believe that the health of the Member could be seriously harmed by waiting for a routine appeal decision. Expedited Appeals are not available for appeals regarding denied claims for benefit payment (Post-Service Claim) or for Pre-Service Claims that are not Urgent Care Claims. Expedited Appeals must be decided no later than seventy-two (72) hours after receipt of the appeal, provided all necessary information has been submitted to HPN. If the initial notification was oral, HPN shall provide a written or electronic explanation to the Member within three (3) days of the oral notification.

If insufficient information is received, HPN shall notify the Member as soon as possible, but no later than twenty-four (24) hours after receipt of the claim of the specific information necessary to complete the claim. The Member will be afforded a reasonable amount of time, taking into account the circumstances, but not less than forty-eight (48) hours, to provide the specified information. HPN shall notify the Member of the benefit determination as soon as possible, but in no case later than forty-eight (48) hours after the earlier of:

- HPN's receipt of the specified information, or

Evidence of Coverage

- The end of the period afforded the Member to provide the specified information.

If the Member's Physician requests an Expedited Appeal, or supports a Member's request for an Expedited Appeal, and indicates that waiting for a routine appeal could seriously harm the health of the Member or subject the Member to unmanageable severe pain that cannot be adequately managed without care or treatment that is the subject of the Claim for Benefits, HPN will automatically grant an Expedited Appeal.

If a request for an Expedited Appeal is submitted without support of the Member's Physician, HPN shall decide whether the Member's health requires an Expedited Appeal. If an Expedited Appeal is not granted, HPN will provide a decision within thirty (30) days, subject to the routine appeals process for Pre-Service Claims.

13.4 2nd Level Formal Appeal

When a 1st Level Formal Appeal is not resolved in a manner that is satisfactory to the Member, the Member may initiate a 2nd Level Formal Appeal. This appeal must be submitted in writing within thirty (30) days after the Member has been informed of the resolution of the 1st Level Formal Appeal.

Exhaustion of the 1st Level Formal Appeal procedure is a precondition to filing a 2nd Level Formal Appeal. A 2nd Level Formal Appeal not filed in a timely manner will be deemed waived with respect to the Adverse Benefit Determination to which it relates. The 2nd Level Formal Appeal is **voluntary** for all Pre-Service, Post-Service, and Urgent Care Claims for Benefits.

The Member shall be entitled to the same reasonable access to copies of documents referenced above under the 1st Level Formal Appeal. Any new or additional information considered, relied upon or generated by the Plan will be provided to the Member, free of charge and in advance of the date on which the notice of the final internal adverse determination is required, in order to give the Member a reasonable opportunity to respond prior to this date.

The Member can request the assistance of a Member Services Representative at any time during this process.

Upon request, the Member is entitled to present telephonically and provide a formal presentation on a 2nd Level Formal Appeal. If such a hearing is requested, HPN shall make every reasonable effort to

schedule one at a time mutually convenient to the parties involved. Repeated refusal on the part of the Member to cooperate in the scheduling of the formal presentation shall relieve the Grievance Review Committee of the responsibility of hearing a formal presentation, but not of reviewing the 2nd Level Formal Appeal. If a formal presentation is held, the Member will be permitted to provide documents to the Grievance Review Committee and to have assistance in presenting the matter to the Grievance Review Committee, including representation by counsel. However, HPN must be notified at least five (5) business days before the date of the scheduled formal presentation of the Member's intent to be represented by counsel and/or to have others present during the formal presentation. Additionally, the Member must provide HPN with copies of all documents the Member may use at the formal presentation five (5) business days before the date of the scheduled formal presentation.

Upon HPN's receipt of the written request, the request will be forwarded to the Grievance Review Committee along with all available documentation relating to the appeal.

The Grievance Review Committee shall:

- consider the 2nd Level of Appeal;
- schedule and conduct a formal presentation if applicable;
- obtain additional information from the Member and/or staff as it deems appropriate; and
- make a decision and communicate its decision to the Member within thirty (30) days following HPN's receipt of the request for a 2nd Level Formal Appeal.

If the resolution of the 2nd Level Formal Appeal results in an Adverse Benefit Determination, the Member will be informed in writing of the following:

- The specific reason or reasons for upholding the Adverse Benefit Determination;
- Reference to the specific Plan provisions on which the benefit determination is based; and
- A statement describing any additional voluntary levels of appeal.
- A statement describing the Member's External Appeals Rights, if applicable, or judicial review.

Limited extensions may be required if additional information is required or a formal presentation is requested and the Member agrees to the extension of time.

13.5 Arbitration of Disputes of an Independent Medical Review

If the Member is dissatisfied with the findings of an Independent Medical Review, the Member shall have the right to have the dispute submitted to binding arbitration before an arbiter under the commercial arbitration rules applied by the American Arbitration Association. This review is in place of HPN's Appeals Procedures

Evidence of Coverage

The arbiter will be selected by mutual agreement of HPN and the Member. The cost and expense of the arbitration shall be paid by HPN. The decision of the arbiter shall be binding upon the Member and HPN.

13.6 External Review

HPN offers to the Member or the Member's Authorized Representative the right to an External Review of an adverse determination. For the purposes of this section, a Member's Authorized Representative is person to whom a Member has given express written consent to represent the Member in an External Review of an adverse determination; or a person authorized by law to provide substituted consent for a Member; or a family member of a Member or the Member's treating provider only when the Member is unable to provide consent.

Adverse determinations eligible for External Review set forth in this section are only those relating to Medical Necessity, appropriateness of service, healthcare service, healthcare setting, or level of care or effectiveness of a healthcare service. HPN will provide the Member notice of such an adverse determination which will include the following statement:

HPN has denied your request for the provision or payment of a requested healthcare service or course of treatment. You may have the right to have our decision reviewed by health care professionals who have no association with us if our decision involved making a judgment as to the Medical Necessity, appropriateness, health care setting, level of care or effectiveness of the health care service or treatment you requested by submitting a request for External Review to the Office for Consumer Health Assistance.

Additionally, as per applicable law and regulations, the notice will provide the Member the information outlined in Section 13.2 as well as the following:

- The telephone number for the Office for Consumer Health Assistance for the state of jurisdiction of the health carrier and the state in which the Member resides.
- The right to receive correspondence in a culturally and linguistically appropriate manner.

The notice to the Member or the Member's Authorized Representative will also include a HIPAA compliant authorization form by which the Member or the Member's Authorized Representative can authorize HPN and the Member's Physician to disclose protected

health information ("PHI"), including medical records, that are pertinent to the External Review, and any other forms as required by Nevada law or regulation.

The Member or the Member's Authorized Representative may submit a request directly to OCHA for an External Review of an adverse determination by an Independent Review Organization ("IRO") within four (4) months of the Member or the Member's Authorized Representative receiving notice of such determination. The IRO must be certified by the Nevada Division of Insurance. Requests for an External Review must be made in writing and submitted to OCHA at the address below and should include the signed HIPAA authorization form, authorizing the release of your medical records. The entire External Review process and any associated medical records are confidential.

Office for Consumer Health Assistance

(888) 333-1597

The determination of an IRO concerning an External Review in favor of the Member of an adverse determination is final, conclusive and binding. Upon receipt of the notice of a decision by the IRO reversing an adverse determination, HPN shall immediately approve coverage of the recommended or requested health care service or treatment that was the subject of the adverse determination. The cost of conducting an External Review of an adverse determination will be paid by HPN.

13.6.a Standard External Review

The Member may submit a request for an External Review of an adverse determination under this section only after the Member has exhausted all applicable internal HPN Appeals Procedures provided under this Plan and if HPN fails to issue a written decision to the Member within thirty (30) days after the date the Appeal was filed, and the Member or Member's Authorized Representative did not request or agree to a delay or, if HPN agrees to permit the Member to submit the adverse determination to OCHA without requiring the Member to exhaust all internal HPN Appeals Procedures. In such event, the Member shall be considered to have exhausted the applicable internal HPN Appeals Process.

Within five (5) days after OCHA receives a request for External Review, OCHA shall notify the Member, the Member's Authorized Representative and HPN that such request has been received and filed. As soon as practical, OCHA shall assign an IRO to review the case.

Within five (5) days after receiving notification specifying the assigned IRO from OCHA, HPN shall provide to the selected

Evidence of Coverage

IRO all documents and materials relating to the adverse determination, including, without limitation:

- Any medical records of the Member relating to the adverse determination;
- A copy of the provisions of the healthcare Plan upon which the adverse determination was based;
- Any documents used and the reason(s) given by HPN's Managed Care Program for the adverse determination; and
- If applicable, a list that specifies each Provider who provided healthcare to the Member and the corresponding medical records from the Provider relating to the adverse determination.

Within five (5) days after the IRO receives the required documentation from HPN, they shall notify the Member or the Member's Authorized Representative, if any additional information is required to conduct the review. If additional information is required, it must be provided to the IRO within five (5) days after receiving the request. The IRO will forward a copy of the additional information to HPN within one (1) business day after receipt.
