The Fund for Insurance Administration and Enforcement (Fund), NRS 680C requires that, beginning in 2010, all renewing entities that pay renewal fees will receive an invoice that includes the existing renewal fee(s) plus the new Fund assessment, due on or before March 1. **Exception:** Service contract providers will receive an invoice for the new Fund assessment due on or before March 1, separate from their renewal invoice.

*Associations of self-insured public and private employers will continue to receive their annual Workers' Compensation and Safety Fund assessment from the Division of Industrial Relations, and will receive their new Fund assessment separately from the Division of Insurance.
