LOSS COSTS OR RATE FILING APPROVAL

Nevada--Approval of Voluntary Loss Costs, Assigned Risk Rates, and Rating Values to Be Effective March 1, 2027

ACTION NEEDED

Please review this circular, which contains information on approved voluntary loss costs, assigned risk rates, and rating values for Nevada. These will become effective March 1, 2027, for new and renewal policies.

For information regarding company action in response to an NCCI filing, please refer to the ***Filing Guide for Rates and Forms***.

BACKGROUND

This approval circular, along with Filing Circular NV-2026-07, provides the entire package of relevant information for this change.

NCCI recently submitted a voluntary loss costs, assigned risk rates, and rating values filing to the Nevada Division of Insurance. The filing is proposed to be effective March 1, 2027, for new and renewal policies.

NCCI's original filing on August 19, 2026, proposed an overall average loss cost level increase of 8.6% for the voluntary market and an overall average rate level increase of 8.1% for the assigned risk market. On August 25, 2026, the Nevada Division of Insurance requested that NCCI remove the methodology to payroll-weight loss costs for a select subset of class codes listed in Appendix B-V.

NCCI submitted a voluntary loss costs, assigned risk rates, and rating values amended filing on September 4, 2026, reflecting the removal of this methodology for the requested class codes. There was no impact to the overall loss cost or rate level changes. The Nevada Division of Insurance approved the amended filing on September 18, 2026. This circular contains the amended filing.

IMPACT

An overall average loss cost level increase of 8.6% for the voluntary market and an overall average rate level increase of 8.1% for the assigned risk market have been approved. These will be effective March 1, 2027, for new and renewal policies.

Important: Each insurer must adopt the revised voluntary loss costs effective March 1, 2027, for all new and renewal business.
