Sue,

Thank you for your time on the phone this afternoon. Silver Summit looks forward to participating in next week's workshop. Please find our early comments, below.

- We request that the NV DOI define which counties fall into the categories in Section 3(c); Metro, Micro, Rural, and CEAC.
- Silver Summit is launching telemedicine for Behavioral Health in 2019. We request that DOI grant parity to the telemedicine providers versus brick and mortar providers for network adequacy.

Thank you,

KATIE ROGERS
