Introductory Remarks – Reida Wagner reminded the Council and public of the Council's charge which establishes the scope of the Council's work and determines recommendations to the Commissioner as to what network adequacy requirements should be. She also reminded participants that Nevada's Open Meeting Law applies which means that the meeting will be recorded, and minutes will be taken. This information will be made available to the public through the Division's website.
3. Public Comment – None.
4. Minutes from the September 11th, 2025 meeting were unanimously approved once Ms. Sterner joined the meeting, with no changes.
