

State of Nevada Department of Business & Industry Division of Insurance NEVADA ISSUER CERTIFICATION FORM (relating to Qualified State Long-Term Care Insurance Partnership)

Under section 1917(b)(5)(B)(iii) of the Social Security Act (42 U.S.C. 1396p(b)(5)(B) (iii)), the State Insurance Commissioner of a State implementing a Qualified State longterm care insurance partnership ("Qualified Partnership") may certify that long-term care insurance contracts (including certificates issued under a group insurance contract) covered under the Qualified Partnership meet certain consumer protection requirements, and long-term care insurance contracts so certified are deemed to satisfy such requirements. These consumer protection requirements are set forth in section 1917(b)(5)(A) of the Social Security Act (42 U.S.C. 1396p(b)(5)(A)) and principally include certain specified provisions of the Long-Term Care Insurance Model Regulation and Long-Term Care Insurance Model Act promulgated by the National Association of Insurance Commissioners (as adopted as of October 2000) (referred to herein as the "2000 Model Regulation" and "2000 Model Act" respectively).

In order to provide the Nevada State Insurance Commissioner with information necessary to provide a certification for long-term care insurance contracts, this Issuer Certification Form requests information and a certification from issuers of long-term care insurance contracts with respect to long-term care insurance contract forms that may be covered under the Qualified Partnership of Nevada.

An insurance company may request certification of long-term care insurance contracts from time to time and, accordingly, may supplement this issuer certification form, e.g., as it introduces new long-term care insurance contract forms for issuance.
