Medicare Supplement Regulation

EFFECTIVE DATE OF REGULATION:
Upon filing with the Nevada Secretary of State

1. BACKGROUND.

This regulation is needed to provide guidance about NRS 687B.352 (2021 Legis. Session, Assembly Bill 250), which became effective on January 1, 2022.

2. DESCRIPTION OF CONCERTED EFFORT TO DETERMINE IMPACT OF PROPOSED REGULATION. NRS 233B.0608(1).

The Division reviewed the Nevada statutes and regulations for Medicare supplemental plans, relevant federal laws, and a general survey sent to small businesses related to AB250.

3. DOES THE PROPOSED REGULATION IMPOSE A DIRECT AND SIGNIFICANT ECONOMIC BURDEN UPON A SMALL BUSINESS OR DIRECTLY RESTRICT THE FORMATION, OPERATION OR EXPANSION OF A SMALL BUSINESS? NRS 233B.0608(1).

NO YES

4. METHODS USED TO DETERMINE IMPACT AND REASONS FOR CONCLUSION. NRS 233B.0608(3).

The Division evaluated the legislative history and language of NRS 687B.352, the Division reviewed the federal laws regarding the certification of Medicare supplemental health insurance policies (42 U.S.C. § 1395ss), and the Division considered results of a survey sent to producer associations and chambers of commerce through Survey Monkey to measure the overall impact of AB 250 on small businesses.

The intent of the statute was to establish an open enrollment period to give Nevada residents more options for Medicare supplemental plans, but this open enrollment had to align with federal law for Medicare supplement plans. So long as policyholders are not re-enrolled in the same plan with the same carrier with a different rate charged, Medicare supplement plans qualify as "replacement" plans regulated by the Division. The survey was not directly related to the proposed regulation but did assess small business concerns with AB250 in general. The portion of the survey that was deemed applicable to the proposed regulation was whether small businesses believed whether there would be an impact on their business, to which 94.4% responded there would be either no impact or a positive impact.

I, BARBARA D. RICHARDSON, Commissioner of Insurance for the State of Nevada, hereby certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the proposed regulation on small businesses and that the information contained in this statement is accurate.
