Bulletin 25-004

October 13, 2025

Requirement to use Uniform Credentialing Form NDOI-901 & Associated Forms

The Division issues this Bulletin to remind each insurer, carrier, society, corporation, health maintenance organization and managed care organization to use the Nevada Division of Insurance (NDOI) Form 901 prescribed by the Commissioner of Insurance pursuant to [NRS 629.095](#) when obtaining any information related to the credentials of a provider of health care.

The Division, with the help of the Commissioner's Life and Health Advisory Sub-Committee, has recently updated NDOI-901 and introduced new forms entitled the Uniform Credentialing Form – Addendum (NDOI-901A) and the Facility Credentialing Application (NDOI-901B).

All of these forms are posted on the Division's website at <https://doi.nv.gov/Insurers/Life-Health/>, and their purpose is to provide a single consolidated form for use by applicants for participation as a provider with health plans or health insurers and may be used for hospital and other healthcare organization medical staff membership and clinical privileges.

For any additional information that must be requested for credentialing, please see [NAC 679B.0405](#).
