This coverage is additional insurance.

No deductible applies to this coverage.

2. **Debris Removal.** **We** will pay reasonable expenses **you** incur to remove debris of covered property following a covered loss from a peril **we** insure against.

If the damage to that property and the cost of debris removal is more than **our limit** for the property, **we** will pay up to an additional 5% of that **limit** for debris removal.

We will also pay up to \$500 in the aggregate for any one loss for reasonable expenses incurred by **you** in removing any fallen trees from the **insured premises** if:

- a. the tree damages a covered building;
- b. the falling of the tree is caused by any peril **we** insure against under Coverage B; and

We do not cover debris removal of any trees:

3. **Emergency Removal of Property.** **We** will pay for loss to covered property while being removed or while removed from the **insured premises** because of danger from a Peril Insured Against. Such property is covered against accidental direct loss from any cause for a period up to 30 days. This coverage does not increase the **limit** applying to the property being removed.

4. **Fire Department Service Charge.** **We** will pay up to an aggregate **limit** of \$500 for any one loss for Fire Department Service Charges billed by a government entity or fire department for the response to save or protect covered property on the **insured premises** from a Peril Insured Against.

This coverage is additional insurance.

No deductible applies to this coverage.

5. **Grave Markers.** **We** will pay up to \$5000 for direct loss by Perils Insured Against in Coverage B to cover grave markers. This coverage is additional insurance.

6. **Inflation Protection Coverage.** **We** will increase the insurance for Section I Coverage A - Dwelling and Coverage B - Personal

Property at the same rate as the increase in the Residential Building Cost Index. This index is identified on **your** latest Declarations page.

To determine the amount of insurance on a given date, divide the latest available index by the index level shown on **your** latest Declarations.

Multiply the resulting factor by the **limits** for Coverages A and B. At each renewal, **we** will correct the amount of Coverages A and B to the nearest \$100* in accordance with the changes in the Residential Building Cost Index. (For rounding, \$50.00 or more is raised to one hundred dollars, \$49.99 or less is treated as \$0.00.) **We** will adjust the renewal premium accordingly.

We will not reduce the **limits** to less than those previously specified without **your** consent.

*When the rounded amount for Coverage B does not equal the minimum required, the Coverage B amount will then be rounded up to the next \$100.

7. **Loss Assessments.** **We** will cover an amount up to \$1000 for **your** share of special loss assessments charged during the policy period and levied against **you** by a corporation or association of property owners in accordance with the governing rules of the association. This \$1000 **limit** is the most **we** will pay for any one loss, regardless of the number of assessments. This coverage only applies when the assessment is made as a result of direct loss to the property, owned by all members collectively, caused by a Peril Insured Against under Section I of this policy.

This coverage applies only to loss assessments charged against **you** as owner or tenant of the **insured premises**.

We do not cover loss assessments charged against **you** or a corporation or association of property owners by any governmental body.

In the event of an assessment, this coverage is subject to all other terms of this policy. This coverage is excess insurance over any insurance collectible under any policy or policies covering the association of property owners.

8. **Outdoor Antennas.** **We** will pay up to \$1000 for direct loss by Perils Insured Against in Coverage B to outdoor antennas or dish antennas including their lead-in wiring, accessories, masts and towers.

This coverage is additional insurance.

9. **Pollutant Cleanup and Removal.** **We** will pay up to \$10,000 to cover **your** expense to extract **pollutants**, or covered property which becomes a **pollutant**, from land, water, insured buildings or other structures, or **your** personal property. Such loss must occur on the **insured premises** and must be caused by or result from a covered cause of loss under Section I of this policy, during the policy period.

This coverage is additional insurance.

10. **Protective Repairs.** **We** will pay the reasonable cost **you** incur for necessary repairs made to protect covered property from further damage following a covered loss from a peril **we** insure against.

This coverage does not increase the **limit** applying to the property being repaired.

11. **Refrigerated Food Products.** **We** will pay for loss to food products in freezer or refrigerator units on the **insured premises**, but not to exceed \$250 per loss to each freezer or refrigerator, when caused by power interruption or mechanical failure.

Power interruption or mechanical failure does not include:

- a. removal of the plug from an electrical outlet; or

We do not cover trees, plants, shrubs or lawns:

PART B

The following exclusion applies to Coverage A - Dwelling and Dwelling Extension, Coverage B - Personal Property, Coverage C - Loss of Use and the Supplementary Coverages - Section I.

1. **Fraud**. **We** will not provide coverage for all or any part of a loss if, before or after the loss, any **insured** has committed fraud. Fraud means any concealment, misrepresentation or attempt to defraud by any **insured** either in causing any loss or in presenting any claim under this policy.

PART C

The following exclusions apply to Coverage A - Dwelling and Dwelling Extension. **We** do not insure for loss caused by any of the following.

1. **Acts or Decisions**, including the failure to act or decide, of any person, group, organization or governmental body.
2. **Planning, Construction or Maintenance**, meaning faulty, inadequate or defective:
 - a. construction, reconstruction, repair, remodeling or renovation;
 - b. materials used in construction, reconstruction, repair, remodeling or renovation;
 - c. design, workmanship or specifications;
 - d. siting, surveying, zoning, planning, development, grading or compaction; or

 of part or all of the **insured premises** or any other property.
3. **Weather Conditions** which contribute in any way with a cause or event excluded in Part A above to produce the loss.

However, **we** do cover any resulting loss to property described in Coverage A - Dwelling and Dwelling Extension not excluded or excepted in this policy.

CONDITIONS - SECTION I

The following conditions apply to all of Section I of this policy.

1. **Abandoned Property**. **You** may not abandon property to **us** unless **we** specifically agree to it.
2. **Appraisal**. If **you** and **we** fail to agree on the amount of loss, either may demand an appraisal of the loss. In this event, each party will choose a competent and disinterested appraiser within 20 days after receiving a written request from the other. The two appraisers will choose a competent and disinterested umpire. If they cannot agree upon an umpire within 15 days, **you** or **we** may request that the choice be made by a judge of a court of record in the state where the **insured premises** is located. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to **us**, the amount agreed upon will be the amount of loss. If they fail to agree within a reasonable time, they will submit their differences to the umpire. Written agreement signed by any two of these three will set the amount of the loss. Each appraiser will be paid by the party selecting that appraiser.

Other expenses of the appraisal and the compensation of the umpire will be paid equally by **you** and **us**.

3. **Contract of Sale Clause**. If a contract for sale of the property described in this policy has been made between the **insured** and the titleholder shown in the Declarations, the interest of the titleholder is also covered, but without any increase in the **limit**, and subject to all other terms of this policy, including any mortgage clause forming a part of this policy. If there is other insurance on the property described, **we** will not be liable for a greater part of any loss than the amount covered bears to the whole amount of insurance on the property, whether collectible or not.
4. **Dwellings Under Construction**. This policy may cover a dwelling under construction. If so, until the dwelling is completed and occupied, the **limit** will be determined by the actual value of the dwelling at the time of loss, but not greater than the **limit** shown in the Declarations.

5. **Glass or Safety Glazing Replacement.** Damage to glass caused by a Peril Insured Against will be settled on the basis of replacement with safety glazing when required by law.
6. **Insurable Interest and Our Liability.** In the event of a covered loss, **we** will not pay for more than the insurable interest an **insured** has in the covered property, nor more than the amount of coverage afforded by this policy in any one loss.
7. **Loss Deductible.** **We** will pay only that part of a covered loss over any deductible which applies.
8. **Loss Payable Clause.** Loss will be adjusted only with the **insured** named and payable to the **insured** and the lienholder shown in the Declarations as their respective interests may appear, subject to all the terms of this policy.
9. **Loss Payment.** **We** will adjust all losses with **you.** **We** will pay **you** unless some other party is named in the policy or is legally entitled to receive payment. Loss will be payable 60 days after **we** receive **your** properly completed proof of loss and:
- we** reach agreement with **you**;
 - there is an entry of a final judgment; or
 - there is a filing of an appraisal award with **us.**
10. **Loss to a Pair or Set.** **We** may repair or replace any part of the pair or set to restore it to its value before the loss, or **we** may pay the difference between the actual cash value of the property before and after the loss.
11. **Loss Value Determination.**
- Personal Property, Structures, Awnings, Carpeting, Household Appliances and Outdoor Antennas.**
 - Loss to covered:
 - awnings;
 - carpeting;
 - household appliances;
 - outdoor antennas and outdoor equipment, whether or not attached to buildings;
 - other structures covered under the Dwelling Extension that are not buildings and buildings without a permanent foundation;
 - property under Coverage B - Personal Property; will be settled subject to the following:

We will pay the smaller of:

 - the actual cash value at the time of loss but not more than the cost to repair or replace the damaged property with property of like kind and quality; or
 - any policy **limit** which applies.
 - Buildings Which Have a Permanent Foundation and Roof.**

Buildings which have a permanent foundation and roof will be settled at replacement cost without deduction for depreciation, subject to the following:

 - Actual Cash Value.**

If at the time of loss, the building is not repaired or replaced, **we** will pay the actual cash value at the time of loss of that part of the building damaged up to the **limit** applying to the building, but not exceeding the replacement cost of the damaged building.
 - Replacement Cost.**
 - If at the time of loss, the amount of insurance in this policy on the damaged building is 80% or more of the full replacement cost of the building immediately prior to the loss, and the building is repaired or replaced, **we** will pay the full cost to repair or replace the damaged building without deducting for depreciation, but not exceeding the smallest of:
 - the **limit** in this policy for the building, including any additional amount of insurance as provided by the Inflation Protection Coverage;
 - the cost to replace the damaged building with like construction for similar use on the same premises; or
 - the amount actually and necessarily spent for repair or replacement of the damaged building.
 - If at the time of loss, the amount of insurance in this policy on the damaged building is less than 80% of the full replacement cost of the building immediately prior to the loss, and the building is repaired or replaced, **we** will pay the larger of the following amounts, but not exceeding the **limit** under this policy applying to the building:
 - the actual cash value of that part of the building damaged; or
 - the amount of insurance on the building divided by 80% of its full replacement cost times the amount of the loss.
 - To determine the full replacement cost of the covered building immediately prior to the loss:
 - where there is a basement, do not include the value of excavations, foundations, piers and other supports which are below any basement floor nor underground pipes, wiring and drains; or
 - where there is no basement, do not include the value of underground pipes, wiring and drains.
 - Procedures to Claim Replacement Coverage.**

If **you** receive an actual cash value settlement for damaged or stolen property covered by replacement coverage and **you** have not reached **your limit**, **you** may make a further claim under this condition for any additional payment on a replacement cost basis provided:

 - you** notify **us** within 180 days after the loss of **your** decision to repair or replace the damaged or stolen property; and
 - repair or replacement is completed within one year of the date of loss.
12. **Mortgage Clause.**
- The word "mortgagee" includes trustee or contract of sale titleholder.
- If a mortgagee is named in this policy, any loss payable on buildings will be paid to the mortgagee and **you**, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages. If **we** deny **your** claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:
- notifies **us** of any change in ownership, occupancy or substantial change in risk of which the mortgagee is aware;
 - pays any premium due under this policy on demand if **you** have neglected to pay the premium; and
 - submits a signed, sworn statement of loss within 60 days after receiving notice from **us** of **your** failure to do so.
- As to only the interest of a lienholder or mortgagee declared in this policy, this insurance will terminate only if **we** give such lienholder or mortgagee at least 10 days written notice of termination. If **we** pay the mortgagee for any loss and deny payment to **you**:
- we** are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
 - at **our** option, **we** may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, **we** will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.
- Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

13. **No Benefit to Bailee.** This insurance will not, in any way, benefit any person or organization who may be caring for or handling property for a fee.
14. **Other Insurance.** If both this and other insurance apply to a loss, **we** will pay **our** share. **Our** share will be the proportionate amount that this insurance bears to the total amount of all applicable insurance.
15. **Our Settlement Options.**
In the event of a covered loss, **we** have the option to:
- make a cash settlement for all or part of the damaged, destroyed or stolen property; or
 - pay the cost to repair, rebuild or replace all or the necessary part(s) of the damaged, destroyed or stolen property with like property, as of the time of loss, less an allowance for depreciation when replacement cost coverage doesn't apply.
- We** may take the salvage of all or any part of the covered property at its agreed or appraised value. Property paid for or replaced by **us** becomes **ours**, if **we** choose.
- If **we** give **you** notice within 30 days after **we** receive an acceptable proof of loss, **we** may repair or replace any part of the damaged property with like property.
16. **Permission Granted to You.** **You** may make alterations, additions and repairs to **your** building and complete structures under construction. The **insured premises** may be **vacant** or unoccupied without limit of time, except where this policy specifies otherwise. A dwelling under construction is not considered **vacant**.
17. **Recovered Property.** If **you** or **we** recover any property for which **we** have made payment under this policy, **you** or **we** will notify the other of the recovery. At **your** option, the property will be returned to or retained by **you** or it will become **our** property. If the recovered property is returned to or retained by **you**, the claim payment, or any lesser amount to which **we** agree, must be refunded to **us**.
18. **Suit Against Us.** No action can be brought unless it is started within one year after the date of loss.
19. **What You Must Do in Case of Loss.** In the event of a loss to property that this insurance may cover, **you** and any person claiming coverage under this policy must:
- give notice as soon as reasonably possible to **us** or **our** agent. Report any theft to the police immediately. If the loss involves a **credit/debit card**, written notice must also be given to the company that issued the card;
 - protect the property from further damage, make reasonable and necessary repairs to protect the property and keep records of the cost of these repairs;
 - promptly separate the damaged and undamaged personal property. Give **us** a detailed list of the damaged property, showing the quantities, when and where acquired, original cost, current value and the amount of loss claimed;
 - as often as **we** reasonably require:
 - show **us** the damaged property before permanent repairs or replacement is made;
 - provide **us** with records and documents **we** request and permit **us** to make copies; and
 - let **us** record **your** statements and submit to examinations under oath by any person named by **us**, while not in the presence of any other **insured**, and sign the transcript of the statements and examinations;
 - submit to **us**, within 60 days after **we** request, **your** signed, sworn proof of loss which sets forth, to the best of **your** knowledge and belief:
 - the date, time, location and cause of loss;
 - the interest **you** and others have in the property, including any encumbrances;
 - the actual cash value and amount of loss of each item damaged or destroyed;
 - other insurance that may cover the loss;
 - changes in title, use, occupancy or possession of the property during the policy period;
 - the plans and specifications of any damaged dwelling or structure **we** may request;
